The Court having considered the Motion, including the Transaction

Documents, the Donner Declaration, Bateson Declaration and Brownstein Declaration, and the evidence and arguments submitted at the hearing on the Motion commencing on August 25, 2014 (the “Hearing”), after due deliberation and consideration, and for good and sufficient cause appearing therefor;

AND BASED UPON THE RECORD ESTABLISHED AT THE HEARING ON THE MOTION AND ALL PLEADINGS AND DOCUMENTS FILED HEREIN, THE COURT HEREBY MAKES THE FOLLOWING FINDINGS OF FACT AND CONCLUSIONS OF LAW:

A. *Petition Date.* On July 18, 2013 (the “Petition Date”), the City filed a voluntary petition for relief under chapter 9 of the Bankruptcy Code in the United States Bankruptcy Court for the Eastern District of Michigan (the “Court”) commencing this Case. The order for relief in this Case was entered on December 5, 2013.

B. *Jurisdiction and Venue.* This Court has jurisdiction to consider this Motion pursuant to 28 U.S.C. §§ 157 and 1334 and authority under 28 U.S.C. § 157 and Local Rule 83.50 of the United States District Court for the Eastern District of Michigan over these proceedings and over the persons and entities affected hereby.

collectively referred to herein as the “Transaction Documents”.

Consideration of the Motion constitutes a core proceeding under 28 U.S.C. § 157(b)(2). Venue for the Case and proceedings on the Motion is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409.

C. Notice. Notice of the Motion and the Hearing (1) was served by the City on (a) the trustees, transfer agents or paying agents, as applicable, for the City's secured and unsecured bonds; (b) the City's largest unsecured creditors as identified on the list filed under Bankruptcy Rule 1007(d); (c) the Official Committee of Retirees appointed in this case; (d) the unions representing certain of the City's employees and retirees; (e) the four associations of which the City is aware representing certain retirees of the City; (f) the City's pension trusts; (g) the insurers of the City's bonds; (h) the insurers of the certificates of participation issued with respect to the City's pension funds (the "COPs"); (i) certain significant holders of the COPs; (j) the counterparties under the swap contracts entered into in connection with the COPs (collectively, the "Swaps"); (k) the insurers of the Swaps; (l) all entities that have requested notice pursuant to Bankruptcy Rule 2002, (m) counsel to the Underwriter and the Direct Purchasers, (n) counsel to the DWSD Objecting Parties; (o) counsel to the State Revolving Fund and (p) Trustee for the State Revolving Fund Bonds. (2) was sufficient and proper under the circumstances; and (3) complies with Bankruptcy Rules 2002 and 4001(c) and the Local Bankruptcy Rules of the United States Bankruptcy Court for the Eastern District of Michigan.

No further notice is necessary or required.

D. Sixth Amended Plan. On August 20, 2014, the City filed the Sixth Amended Plan (the “Amended Plan”), which provides that, if the City accepts some or all of the Tendered Bonds for purchase and the Settlement Date³ occurs, the Existing DWSD Bond Claims will be unimpaired within the meaning of Section 1124 of the Bankruptcy Code, meaning that the Amended Plan shall, among other things, not eliminate call protection or reduce the interest rates of the Existing DWSD Bonds.

E. Authorization Appropriate. The authorization granted herein will benefit the City and its citizens and is a sound exercise of the City’s business judgment, is in the best interest of the City and its citizens, and is based on good, sufficient, and sound business purposes and justifications.

F. The City’s Stipulations. The City stipulates and acknowledges that: (1) except as provided in this Order, the Transaction Documents as of the date of entry of this Order, the Pledged Assets are not subject to any pledge, lien or security interest other than the existing liens created under the Bond Ordinances and made statutory liens by Act 94 as security for all Secured Obligations (as defined in the

³ “Settlement Date” shall have the same meaning as the term “DWSD Settlement Date” set forth in the Amended Plan.

Bond Ordinances) heretofore issued and hereafter permitted to be issued under the Bond Ordinances; (2) the City has taken or shall take or cause to be taken all actions to obtain under non-bankruptcy law (including, but not limited to, Act 94) and the Bond Ordinances, and has received or shall have received prior to the closing, all due authorizations for the approval of the Transaction Documents, including for the issuance of the 2014 DWSD Revenue and Revenue Refunding Bonds secured by the pledge of the Pledged Assets as set forth in the Transaction Documents; (3) subject to a determination in a Supplemental Action (as defined in the Bond Ordinances) that there will be the Required Combined Coverage (as defined in the Bond Ordinances) upon issuance of the 2014 DWSD Revenue and Revenue Refunding Bonds (and after giving effect to the issuance of the 2014 DWSD Revenue and Revenue Refunding Bonds), the Required Combined Coverage will not be less than 120% for the Senior Lien Bonds, 110% for the Second Lien Bonds and 100% for the SRF Junior Lien Bonds (each as defined in the Bond Ordinances), in each case when calculated in the manner and by the means prescribed by the Projected Net Revenues Test and Historical Net Revenues Test set forth in Section 21(C)(b) and (c) of the Sewer Ordinance and Section 20(C)(2) and (3) of the Water Ordinance; and (4) the entry of this Order and the relief and orders granted herein is at the request, and upon the consent, of the City.

G. *Findings Regarding the Postpetition Financing.*

(i) *Credit Not Available on More Favorable Terms.* The City is unable to incur the indebtedness evidenced by the 2014 DWSD Revenue and Revenue Refunding Bonds without the granting of a senior or equal lien on the Pledged Assets as set forth in the Transaction Documents. The City has been unable to obtain unsecured credit allowable under Bankruptcy Code Section 503(b)(1) as an administrative expense, with priority over any or all administrative expenses of the kind specified in Sections 503(b) or 507(b) of the Bankruptcy Code; credit secured by a lien on property of the City that is not otherwise subject to a lien; or credit secured by a junior lien on property of the City that is subject to a lien. Financing on a post-petition basis is not otherwise available without granting the DWSD Trustee (1) perfected liens, equal or senior to the existing liens on the Pledged Assets securing the Existing DWSD Bonds, as security for the 2014 DWSD Revenue and Revenue Refunding Bonds with the priorities set forth herein and in the Transaction Documents, and (2) the other protections set forth in the Transaction Documents and this Order.

(ii) *Use of Proceeds of the DWSD Revenue and Revenue Refunding Financing.* The City has agreed that proceeds of the DWSD Revenue and Revenue Refunding Financing shall be used in a manner consistent with the terms and conditions of the Transaction Documents, solely for purposes permitted by law, including (a) to make essential capital improvements to the City's sewerage disposal

system as required under state and federal law as more fully described in the Motion (the “DWSD Revenue Financing”); (b) to finance the City’s obligations to purchase certain water and sewer bonds that have been tendered in connection with a pending invitation to tender (the “Tender”) to the holders of the City’s outstanding water and sewer bonds (the “Existing DWSD Bonds”), also as described in greater detail in the Motion (the “Tender Offer Financing”); and (c) to pay the principal, interest, fees, expenses and other amounts payable under the Transaction Documents (to the extent applicable).

H. *Prudent Judgment and Jurisdictional Matters.* Good cause has been shown for the entry of this Order. The terms and conditions of the Transaction Documents and the fees to be paid thereunder are fair, reasonable, and the best available to the City under the circumstances; reflect the City’s exercise of prudent judgment; are supported by reasonably equivalent value and fair consideration; are at the request, and with the consent, of the City; and, with that consent, are within the jurisdiction and powers of the Court pursuant to Section 904 of the Bankruptcy Code.

I. *Good Faith Under Section 364(e).* In respect of the DWSD Revenue and Revenue Refunding Financing authorized under section 364 of the Bankruptcy Code, the City, the MFA, the Underwriter, the Direct Purchasers and Assured have acted in good faith, as that term is used in section 364(e) of the Bankruptcy Code,

and the Transaction Documents are the result of good faith, arms-length negotiations among the City, the MFA, the Underwriter, the Direct Purchasers and Assured. As of the closing date, the City's issuance of the 2014 DWSD Revenue and Revenue Refunding Bonds and the purchase thereof by (i) the MFA, the MFA's issuance of the MFA Bonds pursuant to Executive Order 2010-2 and the Shared Credit Rating Act, Act 227, Public Acts of Michigan 1985, as amended, MCL 141.1051 *et seq.*, the Underwriter's underwriting of the MFA Bonds and the purchase of the MFA Bonds in a public offering, thereby providing funds for the purchase by the MFA of the 2014 DWSD Revenue and Revenue Refunding Bonds and (ii) the Direct Purchasers in the event of a private placement or direct purchase of the 2014 DWSD Revenue and Revenue Refunding Bonds, and the issuance of the Assured Policies by Assured each represents an extension of credit in "good faith" within the meaning of section 364(e) of the Bankruptcy Code. In addition, the grant by the City of a pledge and lien in the Pledged Assets to secure, and provide a source for the repayment of, the 2014 DWSD Revenue and Revenue Refunding Bonds and the MFA Bonds, is in "good faith" within the meaning of section 364(e) of the Bankruptcy Code. The Transaction Documents will be entered into in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, for purposes and uses that are permitted by law, and not in violation of the Bankruptcy Code or of applicable non-bankruptcy law, and the transactions contemplated by the Transaction

Documents are not prohibited by applicable bankruptcy or non-bankruptcy law. As such, the MFA (and its assignees and transferees), the Underwriter (and its assignees and transferees), each purchaser of the MFA Bonds (and their assignees and transferees) (each, including its assignees and transferees, an “MFA Bondholder” and, collectively, the “MFA Bondholders”), each holder of a 2014 DWSD Revenue and Revenue Refunding Bond, including, but not limited to the Direct Purchasers (and each of their respective assignees and transferees), and Assured therefore qualify for the full protection and benefits of sections 364(e) and 921(e) of the Bankruptcy Code and this Order and shall not be affected by any reversal or modification on appeal of this Order, nor shall the reversal on appeal of a finding of jurisdiction affect the validity of any debt incurred pursuant to this Order.

J. *Act 94 Approval.* The City has duly authorized and approved the Transaction Documents pursuant to Act 94 (as described herein and in the Motion). The City is duly authorized to cause the execution of bond sale orders by the Director of the DWSD and by the Emergency Manager of the City upon the issuance of this Order.

K. *Adequate Protection of Existing Liens.* A determination in a Supplemental Action calculated in the manner and by the means prescribed by the Projected Net Revenues Test and the Historical Net Revenues Test set forth in the Bond Ordinances, that the resulting Required Combined Coverage, after giving

effect to the issuance of the 2014 DWSD Revenue and Revenue Refunding Bonds, is not less than 120% for the Senior Lien Bonds, not less than 110% for the Second Lien Bonds and not less than 100% for the SRF Junior Lien Bonds (the “Additional Bonds Test”), together with the Alternative Refund/Debt Service Savings Test and the City’s rate covenants made in Section 9 of the Bond Ordinances (the “Rate Covenant”), satisfies the bargained-for terms of the Existing Bond Documents that are applicable to the subsequent issuance of Secured Obligations, such as the 2014 DWSD Revenue and Revenue Refunding Bonds. After taking into account the issuance of the 2014 DWSD Revenue and Revenue Refunding Bonds and the granting of the senior and equal liens in accordance with the Transaction Documents and the Bond Ordinances, under the circumstances and given that the Supplemental Action will support that the Additional Bonds Test and Alternative Refund/Debt Service Savings Test, as applicable, will meet or exceed the Required Combined Coverage required under the Bond Ordinances, the Court finds that the Additional Bonds Test, the Alternative Refund/Debt Service Savings Test and the Rate Covenant constitute adequate protection of the pre-petition liens securing the Existing DWSD Bonds for purposes of section 364(d)(1) of the Bankruptcy Code. Moreover, there is no impairment to the interests of holders of Existing DWSD Bonds from the Tender Offer Financing because new bondholders will be taking the same position in the DWSD capital structure as the holders of the Existing DWSD

Bonds.

L. *Special Revenues.* Net Revenues, as defined in the Bond Ordinances, constitute “special revenues” as that term is defined in Section 902(2) of the Bankruptcy Code, constitute “pledged special revenues” as that term is used in Section 922(d) of the Bankruptcy Code and are afforded the protections contemplated by Section 928 of the Bankruptcy Code, which have been validly pledged and become subject to a lien as defined in section 101(37) of the Bankruptcy Code and in accordance with Act 94 and the Bond Ordinances to secure the payment of the 2014 DWSD Revenue and Revenue Refunding Bonds issued under the DWSD Indentures, as more fully set forth in the Transaction Documents.

M. *Willingness to Provide Insurance.* Assured has indicated a willingness to issue the Assured Policies subject to: (a) the entry of this Order; (b) the approval by this Court of the Settlement; and (c) the satisfaction of certain other commercially reasonable conditions precedent set forth in the Assured Insurance Commitment.

N. *The Settlement.* The Settlement was negotiated at arm’s length and in good faith by the DWSD Settlement Parties and the settlements and compromises set forth in the Motion and the Assured Insurance Commitment are fair, equitable and reasonable. The DWSD Settlement Parties are not “insiders” (as defined in the Bankruptcy Code) of the City.

Based upon the foregoing findings and conclusions, the Motion and the record before the Court with respect to the Motion, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED that:

1. Motion Approved. The Motion is GRANTED.
2. Objections Overruled. All objections to the Motion and to the Transaction Documents, to the extent not withdrawn, waived, or resolved by the terms hereof, and all reservations of rights included therein, are hereby denied and overruled on the merits, with prejudice.

3. Authorization of the Financing. Subject to the adoption of bond sale orders by the Director of the DWSD and by the Emergency Manager of the City, and subject to a determination in a Supplemental Action of the satisfaction of the Rate Covenant in accordance with the Bond Ordinances, the City is hereby authorized pursuant to sections 105(a), 364(c) and 364(d)(1) of the Bankruptcy Code, by and through DWSD, to enter into, incur the indebtedness evidenced by the 2014 DWSD Revenue and Revenue Refunding Bonds under, and perform pursuant to, the Transaction Documents, all of which that have been submitted to the Court are hereby approved, and to otherwise satisfy the requirements of Act 94, the Bond Ordinances, and applicable resolutions of the Board of Water Commissioners. The City is expressly authorized, without further authorization or approval of this Court,

to perform all acts, make, execute and deliver all instruments and documents, which may be required for the performance by the City under the Transaction Documents and the creation and perfection of the liens described in and provided for by this Order and the Transaction Documents (including, without limitation, the execution or recordation of security agreements, mortgages and financing statements, as applicable), and to pay all fees and expenses that may be required or reasonably necessary for the City's performance of its obligations under or related to the Transaction Documents. The Net Revenues, as defined in the Bond Ordinances, and all proceeds thereof shall be deposited and applied as required by the Transaction Documents. Upon execution and delivery, the Transaction Documents shall be valid and binding obligations of the City, enforceable against the City in accordance with their terms.

4. Authorization to Borrow. Immediately upon the entry of this Order, the City is authorized to issue the 2014 DWSD Revenue and Revenue Refunding Bonds to the MFA or, in the event of a private placement or direct purchase, to the MFA or to the Direct Purchasers, as applicable, pursuant to the terms of the Transaction Documents and is authorized to enter into and incur the obligations under the Transaction Documents.

5. 2014 DWSD Revenue and Revenue Refunding Bonds. The Transaction Documents and this Order shall evidence the validity and binding effect

of the 2014 DWSD Revenue and Revenue Refunding Bonds, which shall be effective as of the date of their issuance. Upon entry of this Order, and effective as of the date of their issuance, the 2014 DWSD Revenue and Revenue Refunding Bonds will include all indebtedness or obligations, contingent or absolute, which may now or from time to time be owing (in each case, however, solely in connection with the 2014 DWSD Revenue and Revenue Refunding Bonds (and not in connection with other indebtedness, obligations or debt issuances, whether subject to the Transaction Documents or otherwise)) by the City to the MFA, the Underwriter, the Direct Purchasers, the DWSD Trustee, or any of the MFA Bondholders under the respective Transaction Documents or this Order, including all principal, accrued interest, costs, fees, expenses and other amounts in respect of the 2014 DWSD Revenue and Revenue Refunding Bonds under the respective Transaction Documents. The 2014 DWSD Revenue and Revenue Refunding Bonds shall be due and payable, without notice or demand, in accordance with the terms of the Transaction Documents and notwithstanding Sections 943 and 1129(a)(9)(A) of the Bankruptcy Code or the confirmation of any plan of adjustment in this Case.

6. Liens. During the pendency of the Case and prior to the effective date of a plan of adjustment in this Case, upon issuance of the 2014 DWSD Revenue and Revenue Refunding Bonds, this Order, Act 94 and the Transaction Documents shall be conclusive evidence of the validity, perfection and priority of the liens granted by

the City and encumbering the Pledged Assets to secure the 2014 DWSD Revenue and Revenue Refunding Bonds (the “Liens”) under Act 94 and sections 101(37), 364(c) and 364(d) of the Bankruptcy Code without the necessity of (a) filing or recording any financing statement, mortgage, notice or other instrument or document that may otherwise be required under the law or regulation of any jurisdiction or (b) the taking of any other action (including taking possession or entering into any deposit account control agreement, mortgages or deeds of trust) to validate or perfect (in accordance with applicable non-bankruptcy law) the Liens.

7. Lien Priority - Sewage Disposal System Revenue Bonds. Pursuant to the Sewer Ordinance and the other relevant Transaction Documents, the Liens securing the Sewage Disposal System Revenue Bonds shall be equal to the existing senior liens securing the Senior Lien Bonds, senior in priority and superior to the existing subordinate liens or any other pledge of, lien on or claim to any of the Pledged Assets under the DWSD Sewer Indenture, other than the lien securing the Senior Lien Bonds. Other than as set forth herein, the Transaction Documents and the Sewer Ordinance, the Liens securing the Sewage Disposal System Revenue Bonds shall not be made or become subject to or *pari passu* with any lien or security interest or otherwise and shall be valid, binding, fully perfected, continuing and enforceable, including against the City under sections 921(e) and 364(e) of the Bankruptcy Code, and this Order shall not be affected by any reversal or

modification on appeal of this Order, nor shall the reversal on appeal of a finding of jurisdiction affect the validity of any debt incurred pursuant to this Order.

8. Lien Priority - Revenue Refunding Bonds. Pursuant to the Bond Ordinances and the Transaction Documents, the Liens securing the Sewage Disposal System Revenue Refunding Bonds and the Water Supply System Revenue Refunding Bonds (the “Refunding Bonds”) shall be equal to the existing senior liens or existing second liens, as the case may be, securing Tendered Bonds that are Senior Lien Bonds and Tendered Bonds that are Second Lien Bonds, respectively. The Liens securing Refunding Bonds that are Senior Lien Bonds shall be senior in priority and superior to the existing subordinate liens or any other pledge of, lien on or claim to any of the Pledged Assets under the DWSD Indentures, other than the liens securing the Senior Lien Bonds. The Liens securing Refunding Bonds that are Second Lien Bonds shall be subordinate in priority to Senior Lien Bonds and superior to the existing subordinate liens or any other pledge of, lien on or claim to any of the Pledged Assets under the DWSD Indentures, other than the liens securing Second Lien Bonds and Senior Lien Bonds. Other than as set forth herein, the Transaction Documents and the Bond Ordinances, the Liens securing the Refunding Bonds shall not be made or become subject to or *pari passu* with any lien or security interest or otherwise and shall be valid, binding, fully perfected, continuing and enforceable, including against the City under sections 921(e) and 364(e) of the

Bankruptcy Code, and this Order shall not be affected by any reversal or modification on appeal of this Order, nor shall the reversal on appeal of a finding of jurisdiction affect the validity of any debt incurred pursuant to this Order.

9. No Obligation to Extend Credit. None of the Direct Purchasers, the MFA or the Underwriter shall have any obligation to purchase any bond or make any other extension of credit under the Transaction Documents unless (a) all of the conditions precedent to the purchase of the 2014 DWSD Revenue and Revenue Refunding Bonds and, in the case of a public offering, the purchase of the MFA Bonds and the extension of such credit provided thereby under the Transaction Documents and this Order have been satisfied in full or waived in accordance with the terms of the applicable Transaction Documents and (b) no stay of this Order pending appeal shall have been obtained by any party from this Court or any other court.

10. Amendment of the Transaction Documents. The City is authorized, without further approval or authorization of this Court, to perform all acts and to make, execute and deliver all instruments and documents that may be reasonably required to effect one or more amendments, modifications or supplements to any of the Transaction Documents if the amendments, modifications or supplements (a) are consistent with this Order; (b) in the good faith judgment of the City, are not amendments, modifications or supplements that are materially adverse to the

interests of the holders of pre-petition liens securing the Existing DWSD Bonds under the Transaction Documents; (c) are otherwise permitted under the terms of the Bond Ordinances and the other Transaction Documents; and (d) are otherwise within the power of the City to effect without further order of the Court under Section 904 of the Bankruptcy Code or otherwise.

11. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Order. Based on the findings of fact and conclusions of law set forth in this Order and the record made during the Hearing, the City, the MFA, the Underwriter, each holder of a 2014 DWSD Revenue and Revenue Refunding Bond, including, but not limited to the Direct Purchasers (and each of their respective assignees and transferees), the MFA Bondholders and Assured have acted in good faith, as that term is used in section 364(e) of the Bankruptcy Code, in connection with the Transaction Documents, and their reliance on this Order is also in good faith. In accordance with section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Order are hereafter reversed or modified on appeal, the MFA, the Underwriter, each holder of a 2014 DWSD Revenue and Revenue Refunding Bond, including, but not limited to the Direct Purchasers (and each of their respective assignees and transferees), the MFA Bondholders and Assured are entitled to and hereby granted the protections provided in section 364(e) of the Bankruptcy Code. Any reversal or modification of this Order on appeal shall

not affect the validity or enforceability of the 2014 DWSD Revenue and Revenue Refunding Bonds or any Lien, claim, or priority authorized or created hereby or the validity or enforceability of the Assured Policies. Any liens or claims granted to the MFA, the DWSD Trustee, the Underwriter, each holder of a 2014 DWSD Revenue and Revenue Refunding Bond, including, but not limited to the Direct Purchasers (and each of their respective assignees and transferees), the MFA Bondholders or Assured hereunder arising prior to the effective date of any such reversal or modification of this Order shall be governed in all respects by the original provisions of this Order, including entitlement to all rights, remedies, privileges and benefits granted herein.

12. Section 921(e) of the Bankruptcy Code; No Modification or Stay of this Order. Any such reversal shall not affect the validity or enforceability of the 2014 DWSD Revenue and Revenue Refunding Bonds or the Liens or priority authorized by this Order, or the validity or enforceability of the

Assured Policies. Any Liens granted to the DWSD Trustee authorized hereunder arising prior to the effective date of any such reversal shall be governed in all respects by the original provisions of this Order, including entitlement to all rights, remedies, privileges and benefits granted herein.

13. Special Revenues. Any and all Net Revenues, as defined in the Bond Ordinances, shall be treated as “special revenues” as that term is defined in section 902(2) of the Bankruptcy Code and shall be treated as “pledged special revenues” as that term is used in section 922(d) of the Bankruptcy Code and are afforded all applicable protections under the Bankruptcy Code and applicable law, including the protections contemplated in section 928 of the Bankruptcy Code, which have been validly pledged and become subject to a lien under Act 94 to secure the payment of the 2014 DWSD Revenue and Revenue Refunding Bonds issued under the DWSD Indentures, as fully set forth in the Transaction Documents.

14. No Impairment. All rights and remedies of the DWSD Trustee, MFA, the Underwriter, each holder of a 2014 DWSD Revenue and Revenue Refunding Bond, including, but not limited to the Direct Purchasers (and each of their respective assignees and transferees), the MFA Bondholders and Assured under the Transaction Documents, as they relate to the 2014 DWSD Revenue and Revenue Refunding Bonds, shall remain effective and, except as otherwise provided in the Transaction Documents, may not be modified, impaired, or discharged,

notwithstanding the authority of the Emergency Manager of City to act on behalf of and bind the City, the dismissal of this Case, or the confirmation of, or failure to confirm, any plan of adjustment in this Case. All rights and remedies of the DWSD Trustee, MFA, the Underwriter, each holder of a 2014 DWSD Revenue and Revenue Refunding Bond, including, but not limited to the Direct Purchasers (and each of their respective assignees and transferees), the MFA Bondholders and Assured under this Order shall remain effective and may not, except as otherwise provided herein, be modified, impaired or discharged, notwithstanding the authority of the Emergency Manager of City to act on behalf of and bind the City, during the pendency of the Case and prior to the effective date of a plan of adjustment in this Case.

15. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the rights of the DWSD Trustee, the holders of Existing DWSD Bonds, the DWSD Bond Insurers, the MFA, the Underwriter, each holder of a 2014 DWSD Revenue and Revenue Refunding Bond, including, but not limited to the Direct Purchasers (and each of their respective assignees and transferees), the MFA Bondholders or Assured to seek any other or supplemental relief in respect of the City.

16. No Modification of Order. Following the closing date of the 2014

DWSD Revenue and Revenue Refunding Bonds and until and unless the 2014 DWSD Revenue and Revenue Refunding Bonds have been paid in full in cash (such payment being without prejudice to any terms or provisions contained in the Transaction Documents that by their terms survive such discharge) or otherwise defeased, the City irrevocably waives the right to seek and shall not seek or consent to, directly or indirectly, without the prior written consent (not to be unreasonably withheld) of (a) Assured, the DWSD Trustee, the Ad Hoc Committee and, if such action is to be taken after the issuance of the 2014 DWSD Revenue and Revenue Refunding Bonds, the MFA, and (b) in the case of a direct purchase of the 2014 DWSD Revenue and Revenue Refunding Bonds, the Direct Purchasers, in each case, in the reasonable discretion of the DWSD Trustee, the MFA and the Direct Purchasers, as applicable, any modification, stay, vacatur or amendment to this Order or the order for relief in any manner.

17. Exculpation. Except to the extent expressly set forth in the Transaction Documents, nothing in this Order, the Transaction Documents, or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon the DWSD Trustee, Assured, the holders of Existing DWSD Bonds, the MFA, the Underwriter, the Direct Purchasers or the MFA Bondholders any liability for any claims arising in connection with the 2014 DWSD Revenue and Revenue Refunding Bonds. In

addition, with respect to the Pledged Assets (a) except as expressly set forth in the Transaction Documents, none of Assured, the DWSD Trustee, the holders of Existing DWSD Bonds, the MFA, the Underwriter, the Direct Purchasers or the MFA Bondholders shall, in any way or manner, be liable or responsible for (i) the safekeeping of the Pledged Assets, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person, and (b) all risk of loss, damage, or destruction of the Pledged Assets shall be borne by the City.

18. Effect of Stipulations. The stipulations and admissions contained in this Order shall be binding upon the City and the DWSD Objecting Parties.

19. Order Controls (Transaction Documents). During the pendency of the Case and prior to the effective date of a plan of adjustment in this Case, in the event of any inconsistency between the terms and conditions of the Transaction Documents and this Order, the provisions of this Order shall govern and control.

20. No Third Party Rights. Except as explicitly provided for herein or in the Transaction Documents, this Order does not create any rights for the benefit of any third party who is not expressly referenced in this Order, any creditor or any direct, indirect or incidental beneficiary.

21. Survival. The Liens and indebtedness incurred under the Transaction

Documents authorized by this Order and the other provisions of this Order and any actions taken pursuant hereto shall survive entry of any subsequent order that may be entered: (a) dismissing the Case; or (b) pursuant to which this Court abstains from hearing the Case.

22. No Waiver by Seeking Relief. Except to the extent this Order provides otherwise, (i) neither the filing of the Motion nor anything herein shall constitute a waiver of any right of the City to take any action, including with respect to the 2014 DWSD Revenue and Revenue Refunding Bonds, without authorization or approval of the Court, (ii) nor shall the filing of the Motion or the entry of this Order be deemed to constitute the City's consent, pursuant to Section 904 of the Bankruptcy Code, to this Court's interference with (a) any of the political powers of the City, (b) any of the property or revenues of the City or (c) the City's use or enjoyment of any income-producing property, other than as provided herein.

23. The Settlement. The Settlement as described in the Motion is approved in its entirety and all of its terms are incorporated herein by reference as if fully set forth herein, and the failure to specifically describe or include in this Order any particular provision of the Motion or the Assured Insurance Commitment shall not diminish or impair the effectiveness of any such provision. The settlements and compromises set forth in the Assured Insurance Commitment and in the Motion are fair and reasonable to, and in the best interests of, the City, its residents and its

creditors, and in entering into the Settlement, the DWSD Settlement Parties have acted in a commercially reasonable manner and exercised their respective rights and powers, and used the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances.

24. DWSD Contribution to GRS Pension Plan. DWSD's contributions to the GRS pension plan set forth in the Plan shall be accounted for as follows: (i) DWSD shall pay as operation and maintenance expenses, to be allocated between the Sewage Disposal System and the Water Supply System (collectively, the "Systems") consistent with the allocation of labor costs between the two Systems, no more than the aggregate sum of (a) \$24 million per annum (which is payable monthly); and (b) DWSD's allocable share of its annual "defined contribution" payments related to the DWSD employees; and (ii) DWSD shall pay from the Revenues of each of the Sewage Disposal System and the Water Supply System, on the same ratable basis as set forth in (i) above, the difference between the annual allocation of the Plan GRS pension contributions provided in the Plan and \$24 million in the aggregate from "pension liability payment funds" established for each of the Sewage Disposal System and the Water Supply System (such funds, the "Pension Liability Payment Funds") that will be placed in priority of payment after all of the Interest and Redemption Funds (including the Reserve Accounts, if any, therein) and before the Extraordinary Repair and Replacement Reserve Fund (all as

defined in the Existing Bond Documents) for each of the Sewage Disposal System and the Water Supply System, such that the respective Pension Liability Payment Funds will be subordinated to the 2014 DWSD Revenue and Revenue Refunding Bonds and all other existing DWSD bond debt. Sufficient funds shall be allocated to each of the Pension Liability Payment Funds on a monthly basis until such time as each System's Pension Liability Payment Fund contains funds sufficient to pay the difference between each System's allocable share of the annual allocation of the GRS pension contributions provided in the Plan, and each System's allocable share of \$24 million. If such amounts in a Pension Liability Payment Fund are insufficient to provide for that fiscal year's requirement for the respective System's contribution to the GRS pension plan by June 30 of that fiscal year, then any amounts or securities held in the respective System's Surplus Fund, Construction Fund, Improvement and Extension Fund, Extraordinary Repair and Replacement Reserve Fund (in excess of the Extraordinary Repair and Replacement Minimum Requirement) and any other now-existing or after arising accounts under the applicable System's Indenture to which payments are subordinate to the payments to the Interest and Redemption Funds (including the Reserve Accounts, if any, therein) as listed in Section 2.02(a) – (f) of the respective System's Indenture, shall be credited or transferred from such Funds or accounts in the priority and order listed above (after satisfaction of the transfers required by Section 2.11 of each Indenture

to the Operating and Maintenance Fund and the Interest and Redemption Funds) to the respective System's Pension Liability Payment Fund; provided, however, that solely for purposes of determining the crediting or transferring of funds to the respective "Pension Liability Payment Funds": (i)(a) the formulae presently used to determine the Extraordinary Repair and Replacement Minimum Requirement and (b) the definition of "Extraordinary Repair and Replacement Minimum Requirement" in the applicable Indentures existing as of the date of this Order will not be changed unless and until DWSD has paid in full the aggregate annual allocation of the GRS pension contributions provided in the Plan; (ii) the amount of the Extraordinary Repair and Replacement Minimum Requirement is not increased over the amount of such minimum, which as of the date of this Order is \$4,693,660 for the Water Supply System and \$6,725,917 for the Sewage Disposal System, until the GRS pension contributions provided in the Plan are paid in full; and (iii) provided such funds are not subject to restriction barring transfer under Section 2.11 of the respective Indenture existing as of the date hereof; and provided, further, that in no event shall any amounts held in a Construction Fund that are (x) the proceeds of any debt issued for such System pursuant to the applicable Bond Ordinance, as the same may be amended, modified or supplemented, or (y) otherwise lawfully restricted to use for capital improvements to a System be credited to the Pension Liability Payment Fund. Moreover, no amounts may be credited or transferred from a Construction Fund

unless such credit or transfer (i) is approved by the Michigan Department of Treasury, if such approval is then required by law, and (ii) based upon an opinion of bond counsel, such credit or transfer will not adversely affect the exclusion from gross income for federal income tax purposes of securities the proceeds of which were deposited in such account. In the event there is any shortfall in the annual funding of a Pension Liability Payment Fund at the end of any fiscal year, that shortfall shall be paid in the next fiscal year according to the payment priorities set forth in this Paragraph 24.

25. DWSD Plan Objections. Upon the occurrence of the Settlement Date and the payment by the City of all professional fees and expenses as set forth in Paragraph 27 hereof (the “Settlement Date Fee Payments”)⁴, the DWSD Plan Objections shall be deemed to be withdrawn with prejudice; provided, however, that the DWSD Plan Objection of FGIC shall only be deemed withdrawn with prejudice with respect to FGIC’s objections related to DWSD, including any matters that are the subject of the Motion and the Settlement. The accounting treatment of DWSD’s contributions to the GRS pension plan in Paragraph 24 hereof shall not constitute “impairment” of the Existing DWSD Bonds or the Existing DWSD Bond Claims in

⁴ The Settlement Date Fee Payments shall not include any payments on account of the DWSD Trustee Fee Claim, the GLC Payment or any other fees or expenses of the DWSD Trustee or its professionals.

respect thereof.

26. No Amendment. From and after the occurrence of the Settlement Date, the City shall not amend, supplement or otherwise modify the Amended Plan, or participate in, support or acquiesce to any such amendment, supplement or modification (including any motion for an order seeking such amendment, supplement or modification) of the Amended Plan that would result in (i) the impairment of any Existing DWSD Bond Claim; (ii) the alteration of the accounting treatment of DWSD's contributions to the GRS pension plan as set forth in Paragraph 24 of this Order or (iii) be inconsistent with this Order.

27. Reimbursement of Certain Professional Fees and Expenses. On the Settlement Date, the DWSD is authorized to and shall reimburse the professional fees and expenses of certain of the DWSD Settlement Parties incurred in connection with the Case, as follows: (i) to Assured, \$3,000,000; (ii) to the Ad Hoc Committee, \$1,200,000; and (iii) to FGIC, \$550,000⁵. In addition, pursuant to the Assured Insurance Commitment, in the event that the City agrees, other than solely as a result of a court order or an arbitration award (i) to pay any of the DWSD Objecting Parties

⁵ The amounts set forth in (i)-(iii) do not contain any "success fees" for any DWSD creditor financial advisor. If any financial advisor for a non-settling bond insurer is paid a success fee, FGIC shall have the right to request the same treatment for its financial advisor. Additionally, the Fee Claim authorized to FGIC hereunder

other than the DWSD Trustee an amount in excess of \$3 million for DWSD-related bankruptcy fees, costs and expenses or (ii) with respect to the DWSD Trustee, to establish a floor for DWSD-related bankruptcy fees, costs and expenses in excess of \$3 million, then DWSD shall be required to pay to Assured \$3 million plus such amount that is the greatest amount paid to any DWSD Objecting Party in excess of \$3 million. The City and the DWSD Trustee shall resolve the DWSD Trustee Fee Claim in accordance with the DWSD Trustee Claim Arbitration as set forth in the Motion and as modified by the following: GLC Advisors & Co. shall be entitled to recover \$500,000 (the “GLC Payment”) in compensation as part of any payment by the City of the DWSD Trustee Fee Claim in connection with DWSD Trustee Claim Arbitration. The GLC Payment shall be made from funds already currently held by the DWSD Trustee in escrow on account of its fees and expenses, and such GLC Payment shall be included within the DWSD Trustee Fee Claim Range for purposes of determining the DWSD Trustee Fee Claim.

28. All Appropriate Actions. The City is authorized to execute, deliver, implement and fully perform any and all obligations, instruments, documents and papers, and to make all payments (including interest and fees, if any), and take any

resolves only fees and expenses incurred through the end of June 2014 in connection with the Existing DWSD Bonds and does not include any other amounts.

and all actions reasonably necessary or appropriate to consummate, complete, execute and implement the Settlement, and any actions taken heretofore in furtherance of these obligations are hereby ratified.

29. Order Controls (Settlement). Unless otherwise agreed by the Parties, to the extent of any inconsistency between (i) this Order and the Assured Insurance Commitment, the terms of this Order shall govern and (ii) this Order and the Assured Insurance Commitment, on the one hand, and any plan of adjustment confirmed in this chapter 9 case (other than a Specified Plan), on the other hand, the terms of this Order and the Assured Insurance Commitment, as applicable, shall govern.

30. Survival. The provisions and effect of this Order, any actions taken pursuant to this Order or the Settlement and the DWSD Settlement Parties' respective rights, obligations, remedies and protections provided for herein shall survive the dismissal or closing of this chapter 9 case, or confirmation of a plan or plans of adjustment, and the terms and provision of this Order and the Assured Insurance Commitment shall continue in full force and effect notwithstanding the entry of any such order.

31. Binding Effect of Order. This Order shall be immediately effective upon its entry. Immediately upon entry by this Court, the terms and provisions of this Order (including the Settlement) shall become valid and binding upon all parties

in interest in this Case, including but not limited to, the City, the MFA, the Underwriter, the Direct Purchasers, the MFA Bondholders, the DWSD Settlement Parties, all other creditors of the City, the City's Emergency Manager, any committee appointed in the Case and all other parties in interest and their respective successors and assigns.

32. Continuing Jurisdiction. This Court shall retain continuing jurisdiction through the effective date of a plan of adjustment in this Case with respect to all matters related to or arising from this Order and the relief granted herein, the implementation of the Transaction Documents, including but not limited to compliance with the Additional Bonds Test and enforcement of the Rate Covenants required under the Ordinances, and implementation and enforcement of the terms agreed to under the Settlement.

33. Existing Bond Insurance Policies. Nothing in this Order impairs, modifies, affects or otherwise alters the rights of Bondholders or Bond Agents with respect to claims under applicable Bond Insurance Policies or against the Bond Insurers (as those terms are defined under the Plan).

Payment of the principal of and interest on certain series of the Bonds (the “Insured Bonds”) when due will be insured by municipal bond insurance policies (the “Bond Insurance Policies”) to be issued by one or more bond insurers (the “Bond Insurers”) simultaneously with the delivery of the Bonds.

The Underwriters intend to make an initial bona fide public offering of all of the Bonds at prices not in excess of the public offering prices set forth on the inside cover pages of the official statement, dated the date hereof, with respect to the Bonds (such official statement, together with the cover pages, and all exhibits, appendices and statements included therein or attached thereto being herein called the “Official Statement”) and may subsequently change such offering price without any requirement of prior notice. The Underwriters may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering price stated on the inside cover pages of the Official Statement. The

Underwriters agree to furnish to the Authority an issue price and yield certificate which will contain certifications necessary to determine the issue price and yield on the Bonds.

In the event that the Underwriters fail (other than for reasons permitted herein) to accept delivery of and pay for the Bonds at the Closing (as hereinafter defined in paragraph 7(a)), the parties hereto acknowledge that the damages that the Authority and the City may suffer as a result thereof shall be difficult to ascertain, and as a result, the parties hereby agree that as liquidated damages, and not as a penalty, for the Underwriters' failure, the Underwriters shall pay to the Authority, as liquidated damages to the Authority and to the City, an aggregate amount equal to the lesser of (i) 1% of the aggregate principal amount of the Bonds or (ii) \$5,000,000. Payment of such liquidated damages to the Authority and acceptance by the Authority, on behalf of itself and the City, shall constitute a full release and discharge of all claims and damages for such failure of the Underwriters.

The Authority acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm's-length commercial transaction between the Authority and the Underwriters, (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriters are and have been acting solely as principals and are not acting as the agents or fiduciaries of the Authority, (iii) the Underwriters have not assumed an advisory or fiduciary responsibility in favor of the Authority with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriters have provided other services or are currently providing other services to the Authority on other matters) and the Underwriters have no obligation to the Authority with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, and (iv) the Authority has consulted its own legal, financial and other advisors to the extent it has deemed appropriate. For both subsections (ii) and (iii) herein, it is the Authority's understanding that as advisory or fiduciary relationship shall not be deemed to exist when, in the course of acting as an underwriter, broker, dealer or municipal securities dealer, a person render advice to an issuer, including advice with respect to the structure, timing, terms and other similar matters concerning a new issue of municipal securities. The Representative has been advised of the Authority's engagement of an independent registered municipal advisor. As required by Securities and Exchange Commission ("SEC") rules, the Representative discloses to you that accordingly, the Underwriters are not acting as your municipal advisor and are not subject to the fiduciary duty set forth in Section 15B(c)(1) of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

2. The Bonds shall otherwise be as described in the Resolutions (as hereinafter defined) and the Official Statement and shall be payable in lawful money of the United States as also described herein.

The City and the Department, in the Letter of Representations (as defined herein), has deemed the information set forth in the City and DWSD Portion of the Preliminary Official Statement final as of its date. The Authority has prepared a Continuing Disclosure Undertaking, to be dated on or before the Closing (the "Undertaking"), to provide or cause to be provided, certain annual financial information and operating data, and timely notice of the occurrence of certain material events with respect to the Bonds.

6. You hereby agree that you will provide the Underwriters with information of which you have knowledge from any source concerning the occurrence of any event that impacts the accuracy and completeness of material representations contained in the Official Statement until the earlier of (a) 90 days from the end of the underwriting period, as defined below, or (b) the time when the Official Statement is available to any person from the Municipal Securities Rulemaking Board (the "MSRB"), but in no case less than 25 days following the "end of the underwriting period," as defined below. You further agree that you will cooperate with the Underwriters to the extent permitted by applicable law, in amending the Official Statement if any of such information, in the reasonable opinion of the Underwriters or the Authority, requires that the Official Statement be amended in fulfillment of the Underwriters' responsibilities pursuant to Rule 15c2-12. Except as provided in the last sentence of this paragraph, the expense of preparation (including without limitation the fees and expenses of legal counsel, financial advisors and other experts employed by the Authority) of each such amendment or supplement and the expense of printing and delivery of the first [200] copies of an amendment or supplement to the Official Statement shall be paid by the Authority. The cost of printing and delivery in excess of [200] copies of the amendment or supplement to the Official Statement shall be paid by the Underwriters. The Underwriters agree to amend or supplement the Official Statement at its own expense in the event that any information provided by the Underwriters for inclusion in the Official Statement is materially inaccurate or incomplete.

The term "end of the underwriting period" as referred to in the preceding paragraph and elsewhere herein is the later of the delivery of the Bonds by you to the Underwriters or when the Underwriters no longer retain an unsold balance of the Bonds for sale to the public. The "end of the underwriting period" shall be deemed to be 25 days after the date of Closing, unless the Representative otherwise notifies you in writing prior to such date, to the best of its knowledge, that there exists an unsold balance of the Bonds. The deemed "end of the underwriting period" may be extended for additional periods of 25 days each upon receipt of an additional written notification from the Representative that, to the best of its knowledge, there exists an unsold balance of Bonds. The Representative agrees to file the Official Statement with the MSRB on or before the date of Closing.

(b) No further authorization or approval of the Authority's Board of Directors (the "Board of Directors") is required for the execution and delivery of this Agreement or the Undertaking on behalf of the Authority, and this Agreement assuming due authorization, execution and delivery of the Agreement by the other party thereto, constitutes a legal, valid and binding obligation of the Authority, enforceable against the Authority in accordance with its terms except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other similar laws affecting the rights of creditors generally, and by principles of equity, including those related to equitable subordination, if equitable remedies are sought or if equitable defenses (based solely on facts which the Authority neither knew nor should have known at the time of execution hereof) are raised; and, except as may be required under blue sky or securities laws of any state (as to which no representation or warranty is given), the Authority is not required to obtain any further authorization or approval for the sale and delivery of the Bonds to the Underwriters or the performance by the Authority of its obligations hereunder or under the Undertaking except such authorizations or approvals as shall have been obtained at or prior to the Closing, and copies of which will be delivered to the Underwriters at the Closing;

The Supplemental Resolution has been duly adopted by the Authority, acting through its Board of Directors, and the Resolutions have not been modified, amended or rescinded and will be in full force and effect at the time of the Closing and will be a contract with the holders of the Bonds and a valid, legally binding act of the Authority, enforceable in accordance with the terms thereof except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other similar laws affecting the rights of creditors generally, and by principles of equity, including those related to equitable subordination if equitable remedies are sought or if

equitable defenses (based solely on facts which the Authority neither knew nor should have known at the time of execution hereof) are raised;

(e) When delivered to the Underwriters and paid for in accordance with the terms of this Agreement, the Bonds (i) will have been duly authorized, executed and issued by the Authority pursuant to the Resolutions, and (ii) will constitute valid, legally binding, limited obligations of the Authority; provided, however, that the Bonds and the interest obligation thereon shall never constitute a debt or liability of the State of Michigan (the "State") or any agency or employee thereof within the meaning of any constitutional or statutory provision or limitation or a general obligation of the Authority and shall never create or constitute any indebtedness, liability or obligation of the State or constitute a pledge of the faith and credit of the State or the general funds or assets of the Authority (including funds pertaining to other loans or activities) but shall be a limited obligation of the Authority payable solely from the Security, as defined in the Resolutions;

(f) No consent or approval of, or registration with or declaration of, any federal, State or other governmental commission, board, regulatory body or instrumentality, is or was required in connection with any of the actions of the Authority described in subparagraphs (a), (b), (c), (d) or (e) of this Paragraph 6 or the delivery of the Bonds to the Underwriters except for the filing of IRS form 8038-G (and the Authority hereby agrees to make such filing promptly after the Closing), except as may be required under blue sky or securities laws of any state (as to which no representation or warranty is given), nor is any election or referendum of voters required in connection therewith;

(h) The execution and delivery of the Official Statement, this Agreement, and the Undertaking by the Authority, and the fulfillment of the terms and conditions of, and the carrying out of the transactions contemplated by the Resolutions, this Agreement, and the Undertaking, do not and will not conflict with, or constitute on the part of the Authority a breach of or a default under, any existing law (including, without limitation, the Constitution of the State), any court or administrative regulation, decree or order or any agreement, indenture, mortgage, lease or other instrument to which the Authority is subject or by which it is bound and which breach or default would materially affect the validity or binding effect of any of the Bonds or the ability of the Authority to pay the principal of and the interest on any of the Bonds;

(i) The Preliminary Official Statement (other than the City and DWSD Portion), as of the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact necessary to make such document, or the statements and information therein contained, in light of the circumstances under which they were made, not misleading;

(j) The Official Statement (other than the City and DWSD Portion), does not, as of its date or will not as of the Closing, contain any untrue statement of a material fact or omit to state any material fact necessary to make such document, or the statements and information therein contained, in light of the circumstances under which it was made, not misleading;

(k) The Bonds will conform to the terms thereof set forth in the Resolutions and described in the Official Statement; and the proceeds of the Bonds will be applied as described under the caption “THE SERIES 2014D BONDS—Sources and Uses of Funds for the Series 2014D Bonds” in the Official Statement;

(l) Other than an appeal of the Bankruptcy Court Order, except as may have been disclosed in writing to the Underwriters before the date of this Agreement or as may be disclosed in the Official Statement, the Authority has not been served with any litigation (and to the knowledge of the Authority no litigation has been commenced or is threatened) against the Authority, in any court (i) seeking to restrain or enjoin the sale or delivery of the Bonds, or (ii) in any manner questioning the authority of the Authority to issue, or the issuance or validity of, any of the Bonds or any other indebtedness of the Authority, or (iii) questioning the constitutionality of any statute, or the validity of any proceedings, authorizing the issuance of any of the Bonds, or (iv) questioning any of the legislation referred to in subparagraph (g) of this Paragraph 6, or (v) questioning the validity or enforceability of the Resolutions or (vi) seeking to secure a lien on the Pledged Funds or the collection of the Revenues, as defined in the Resolutions, or other moneys, securities, funds and property pledged in the Resolutions that are a source of payment on the Bonds, or (vii) contesting in any way the completeness, accuracy or fairness of the Preliminary Official Statement or the Official Statement, or (viii) which might in any material respect adversely affect the transactions contemplated herein and in the Official Statement; and no right of any member of the Board of Directors to his or her office is being contested;

(m) Any certificate or copy of any certificate signed by an official of the Authority and delivered to the Underwriters pursuant hereto or in connection herewith shall be deemed a representation by the Authority to the Underwriters as to the truth of the statements therein made;

(n) Except as permitted by the Resolutions, from and after the time of Closing, the Authority will not create or permit the creation of, or issue any obligations or create any additional indebtedness secured by, a charge and lien on the Pledged Funds, as defined in the Resolutions, and other moneys, securities, funds and property pledged in the Resolutions;

(o) To the extent permitted by law, the Authority will not permit any of the proceeds of the Bonds to be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any Bond to be an “arbitrage bond” within the meaning of Section 148 of the Internal Revenue Code of 1986 or any successor provision, act or statute, and the regulations from time to time promulgated or proposed thereunder (the “Code”);

(p) To the extent permitted by law, the Authority will not permit any of the proceeds of the Bonds or any other funds of the Authority to be used directly or indirectly in a manner which would result in the exclusion of any of the Bonds from the treatment afforded by Section 103(a) of the Code for any reason, including without limitation the classification of such Bonds as “private activity bonds” within the meaning of Section 141(a) of the Code or as obligations guaranteed by the United States of America, as provided in Section 149(b) of the Code; and the Authority will not take any action or omit to take any action which, by commission or omission, would cause interest on the Bonds to be includable in gross income for federal income tax purposes pursuant to Section 103 of the Code or cause such interest to be included in any alternative minimum tax other than an alternative minimum tax which applies to all tax exempt bonds generally;

(q) Other than a nonmonetary default resulting from the City having filed a petition for relief under Title 11 of the United States Code, the Authority is not, and historically has not been, in default in the payment of principal of, or premium, if any, or interest on any bonds, notes or contract payments pledged for the payment of notes or bonds and has not entered into any contract or arrangement that might give rise to any lien or encumbrance on the Pledged Funds other than as provided in the Resolutions;

(r) The Authority has complied with all continuing disclosure obligations under Rule 15c2-12 during the previous five years; and

(s) The Authority will without any cost to the Authority cooperate with the Underwriters in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriters shall designate, provided that the Authority is not required to qualify as a foreign corporation or to consent to any general or special service of process in any jurisdiction.

It is acknowledged and agreed by the parties hereto that all covenants, representations and warranties made by the Authority herein and in any certificates given in compliance herewith, are made solely by the Authority and not by any individual executing this Agreement or any certificate in his or her own capacity, and no liability shall be imposed, directly or indirectly, on such individual.

8. (a) At 10:00 a.m., Eastern Time, on September [], 2014, or such other time and date as shall be mutually agreed upon by the Authority and the Underwriters (the “Closing”), the Authority shall direct the Trustee to deliver the Bonds to the Underwriters at the offices of The Depository Trust Company, New York, New York, in definitive form, duly executed and authenticated by the Trustee. 9. The Underwriters have entered into this Agreement in reliance upon the representations and warranties and agreements of the Authority contained herein, upon the representations and warranties and agreements of the City contained in the Letter of Representations attached hereto as Exhibit B executed and delivered on behalf of the City on the date hereof (the "Letter of Representations") and in the Local Purchase Contract, and upon the representations and warranties of the Authority and the City to be contained in the Closing Documents, and upon the performance by the Authority of its obligations hereunder, upon the performance by the City of its obligations under the Letter of Representations and the Local Purchase Contract, both as of the date hereof and as of the date of Closing. The Underwriter has received a letter from KPMG LLP, the independent accountants for the Department ("KPMG"), [in the form attached hereto as Exhibit ___] [providing for its consent to the inclusion of the audited financial statements of the Water Fund for the year ended June 30, 2013 in the Preliminary Official Statement and in the Official Statement and describing agreed-upon procedures] (the "Accountant's Letter"). Accordingly, the Underwriters' obligations under this Agreement to purchase, to accept delivery of and to pay for the Bonds shall be subject to the performance by the Authority and the City of their obligations to be performed hereunder, under the Letter of Representations and the Local Purchase Contract, at or prior to the Closing, and shall also be subject to the following conditions:

(a) The representations and warranties of the Authority contained herein shall be true, complete and correct in all material respects at the date hereof and as of the time of the Closing, as if made at and as of the time of the Closing, and the Authority shall be in compliance with each of the agreements made by it in this Agreement;

(b) At the time of the Closing, the Official Statement shall not have been amended, modified or supplemented, except in such manner as may have been agreed to by the Underwriters;

(c) The Underwriters shall have the right in their sole discretion (except where otherwise indicated below) to terminate their obligations under this Agreement to purchase, to accept delivery of and to pay for the Bonds by notifying the Authority of its election to do so, if after the acceptance hereof by the Authority and prior to the Closing:

(i) any event shall occur which makes untrue or incorrect in any material respect, as of the time of such event, any statement or information contained in the Official Statement or which is not reflected in the Official Statement but should be reflected therein in order to make the statements contained therein not misleading in any material respect and, in either event, the Authority refuses to permit the Official Statement to be supplemented to supply such statement or information or the effect of the Official Statement as so

supplemented is, in the judgment of the Underwriter, to materially adversely affect the market for the Bonds or the sale, at the contemplated offering prices (or yields), by the Underwriter of the Bonds; or

(ii) the market price of the Bonds or the marketability thereof shall (in the reasonable opinion of the Underwriters) have been materially adversely affected by reason of the fact that between the date hereof and the Closing,

(A) an amendment to the Constitution of the United States or to the Constitution of the State, shall have been adopted, or

(B) legislation shall have been enacted by the Congress or by the Legislature of the State, recommended to the Congress for passage by the President of the United States or the Legislature of the State by the Governor of the State, or introduced and favorably reported for passage to either House of the Congress or of the Legislature of the State by any Committee of such House to which such legislation has been referred for consideration or by a conference committee of both Houses of the Congress; or any statement or report in respect of legislation previously introduced or favorably reported or recommended for passage shall have been made or reported to have been made by the President, any member of the Cabinet or his representative, or any agency of the Federal government, including without limitation the Internal Revenue Service, or any member or members of either House of the Congress or the members or staff of any Committee of either House of the Congress or a conference committee of both Houses of the Congress, or

(C) a decision shall have been rendered by a court established under Article III of the Constitution of the United States, or the Tax Court of the United States, or any other Federal or State court, or an order, ruling or regulation (final, temporary or proposed) shall have been made by the Treasury Department of the United States or the Internal Revenue Service or by any other Federal or State agency affecting the tax status of the Authority or its obligations for borrowed money (including the Bonds) or the interest thereon (including any such event with the purpose or effect, directly or indirectly, of imposing Federal income taxation upon, or any taxation in the State upon, such interest as would be received by the holders of the Bonds); or

(iii) a stop order, ruling, regulation, proposed regulation or statement by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering, sale or distribution of obligations of the general character of the Bonds is in violation or would be in violation of any provisions of the Securities Act of 1933, as amended (the "Securities Act"), the Exchange Act, or the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"); or

(iv) legislation introduced in or enacted (or resolution passed) by the Congress or an order, decree or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary or proposed), press release, or other form of notice issued or made by or on behalf of the SEC, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds, including any or all underlying arrangements, are not exempt from registration under or other requirements of the Securities Act, or that the Resolutions are not exempt from qualification under or other requirements of the Trust Indenture Act, or that the issuance, offering or sale of obligations of the general character of the Bonds, including any or all underlying arrangements, as contemplated hereby or by the Official Statement or otherwise, is or would be in violation of the federal securities law as amended and then in effect; or

(v) there shall have occurred an outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war, if, in the reasonable opinion of the Underwriters, the market price of the Bonds or the marketability thereof shall be materially adversely affected thereby; or

(vi) there shall have occurred a general suspension of trading, minimum or maximum prices for trading shall have been fixed and be in force or maximum ranges or prices for securities shall have been required on the New York Stock Exchange or other national stock exchange whether by virtue of a determination by that Exchange or by order of the SEC or any other governmental agency having jurisdiction or any national securities exchange shall have (A) imposed additional material restrictions not in force as of the date hereof with respect to trading in securities generally, or to the Bonds or similar obligations, or (B) materially increased restrictions now in force with respect to the extension of credit by or the charge to the net capital requirements of underwriters or broker-dealers such as to make it, in the judgment of the Underwriters, impractical or inadvisable to proceed with the offering of the Bonds as contemplated in the Official Statement; or

(vii) the declaration of a general banking moratorium by United States, New York or State authorities or a major financial crisis or a material disruption in commercial banking or securities settlement clearances services shall have occurred such as to make it, in the judgment of the Underwriter, impractical or inadvisable to proceed with the offering of the Bonds as contemplated by the Official Statement; or

(viii) the purchase of and payment for the Bonds by the Underwriters, or the resale thereof by the Underwriters, on the terms and conditions herein provided, shall be prohibited by any applicable law or governmental regulation or order of any court (other than by reason of the Underwriters' failure to comply with any applicable state blue sky or securities law); or

(ix) the market price of the Bonds or the marketability thereof shall have been materially adversely affected by the occurrence of any event which in the reasonable opinion of the Underwriters requires or has required an amendment, modification or supplement to the Official Statement; or

(x) The Bankruptcy Court Order shall have been subsequently vacated, reversed or modified, in whole or in part, in any manner without the consent of the Underwriter and the Authority by the Bankruptcy Court or any other court of competent jurisdiction or is the subject of a stay pending appeal.

(d) The Authority shall not have defaulted under any of its covenants, agreements, representations or warranties under the Resolutions or this Agreement;

(n) Except as disclosed in the Preliminary Official Statement and the Official Statement, and other than an appeal of the Bankruptcy Court Order or a motion seeking a stay of the Bankruptcy Court Order pending appeal, there is no action, suit, proceeding, inquiry or investigation at law or in equity by or before any court or public board or body pending or threatened against or affecting the City (or, the knowledge of the City, any basis therefor) (i) seeking to restrain or enjoin the sale or delivery of the DWSD Obligations, or (ii) in any manner questioning the authority of the City to issue, or the issuance or validity of, any of the DWSD Obligations or any other indebtedness of the City, or (iii) questioning the constitutionality of any statute, or the validity of any proceedings, authorizing the issuance of any of the DWSD Obligations, or (iv) questioning any of the DWSD Authorizing Documents or Act 94, or (v) questioning the validity or enforceability of the DWSD Authorizing Documents or (vi) seeking to secure a lien on the Pledged Assets or the collection of the Net Revenues, as defined in the DWSD Authorizing Documents, or other moneys, securities, funds and property pledged in the

(p) The City has provided the following statement to the Authority for use in the Preliminary Official Statement and the Official Statement relating to the requirements described in Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission:

"Prior Continuing Disclosure Non-Compliance by the City

The City has entered into a number of continuing disclosure undertakings required by Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission in connection with bonds previously issued by the City to finance improvements to the Water Supply System. During the past five years, the City has not complied in all material respects with its obligations under such continuing disclosure undertakings, including filings of its annual financial information and updates to certain financial and operating data.

Specifically, from Fiscal Years 1996 through 2013, the City was unable to provide annual financial information within the time periods specified in the applicable agreements. The continuing disclosure undertakings entered into by the City in connection with its prior bond issuances to finance improvements to the Water Supply System required filing of annual financial information within a specified time period ranging from 180 to 360 days of the City's Fiscal Year end. The audited financial statement for Fiscal Year 2009 was filed on June 4, 2010. The audited financial statement for Fiscal Year 2010 was filed on December 28, 2010. The audited financial statement for Fiscal Year 2011 was filed on January 30, 2013. The audited financial statement for Fiscal Year 2012 was filed on January 27, 2013. The audited financial statement for Fiscal Year 2013 was filed on July 29, 2014.

From Fiscal Years 1996 through 2013, the City failed to file required updates to the financial and operating data in connection with its prior bond issuances to finance improvements to the Water Supply System. On July 29, 2014 the City filed updates to such financial and operating data, but such filing was incomplete in certain respects.

A failure by the City to comply with the undertakings must be reported by the City in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale in the secondary market of bonds issued by the City. Consequently, such failure may adversely affect the marketability and liquidity of bonds issued by the City and the market price thereof.”

(q) Any certificate signed by an authorized officer of the City delivered to the Underwriters and the Authority shall be deemed a representation and warranty by the City to such parties as to the statements made therein.

Section 2. Special Covenants. The City covenants and agrees with the Underwriters and the Authority as follows:

(a) The City will provide the Underwriters with information concerning the occurrence of any event that impacts the accuracy and completeness of material representations contained in the Official Statement until the earlier of (a) 90 days from the end of the underwriting period, as defined below, or (b) the time when the Official Statement is available to any person from the Municipal Securities Rulemaking Board (the “MSRB”), but in no case less than 25 days following the “end of the underwriting period,” as described in Section 6 of the Purchase Agreement. The City agrees to cooperate with the Underwriters to the extent permitted by applicable law, in amending the Official Statement if any of such information, in the reasonable opinion of the Underwriters and the Authority, requires that the Official Statement be amended in fulfillment of the Underwriters’ responsibilities pursuant to Rule 15c2-12. The expense of preparation (including without limitation the fees and expenses of legal counsel, financial advisors and other experts employed by the City) of each such amendment or supplement and the expense of printing and delivery of the first [200] copies of an amendment or supplement to the Official Statement shall be paid by the City.

(b) Between the date hereof and the date of the Closing, the City will not take any action which would cause the representations and warranties contained in Section 1 to be untrue on the date of the Closing. On the date of the Closing, the City shall deliver or cause to be delivered all opinions, certificates and other documents to be delivered by it or on its behalf as provided for in the Purchase Agreement and the Local Purchase Contract and to deliver such additional certificates and other documents as the Underwriters may reasonably request to evidence performance of or compliance with the provisions of the Purchase Agreement and the DWSD Transaction Documents, all such certificates and other documents to be satisfactory in form and substance to the Underwriters.

Section 3. Survival of Representations and Warranties. All representations, warranties, covenants and agreements contained in this Letter of Representations or contained in certificates of officers of the City submitted pursuant hereto or pursuant to the Purchase Agreement, or the Local Purchase Contract at the dates made shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Underwriters or any other person, and shall survive (i) delivery of the Authority Bonds to the Underwriters and payments by the Underwriters therefor pursuant to the Purchase Agreement, (ii) any termination of the Purchase Agreement by the Underwriters pursuant to the provisions thereof or (iii) any failure on the part of the City by the Authority to satisfy any condition to the obligations of the Underwriters specified in the Purchase Agreement, which failure results in a refusal by the Underwriters to purchase and pay for the Authority Bonds.

Section 4. Parties in Interest. This Letter of Representations shall be binding upon the City and shall inure solely to the benefit of the Underwriters and the Authority and, to the extent set forth herein, officers, directors and employees of and persons controlling the Underwriters and the Authority, and their respective personal representatives, successors and assigns, and no other person or firm shall acquire or have any right under or by virtue of this Letter of Representations.

Section 5. Indemnification. The City agrees to indemnify and hold harmless the Underwriters, the directors, officers, employees and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Securities Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any them may become subject under the Securities Act, the Exchange Act or other Federal or State statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Official Statement, the Final Official Statement (or in any amendment or supplement thereto), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. This indemnity agreement will be in addition to any liability which the City may otherwise have.

Promptly after receipt by an indemnified party of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have

the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

In the event that the indemnity provided herein is unavailable or insufficient to hold harmless an indemnified party for any reason, the City and the Underwriter agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) to which the City and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the City on the one hand and by the Underwriters on the other from the offering. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the City and the Underwriters shall contribute in such proportion as is appropriate to reflect not only such relative benefits, but also the relative fault of the City on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses, as well as any other relevant equitable considerations. In no case shall any Underwriter (except as may be provided in any agreement among the Underwriters relating to the offering) be responsible for any amount in excess of the purchase discount or fee applicable to the Authority Bonds purchased by such Underwriter hereunder. Benefits received by the City shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total purchase discounts and commissions in each case set forth on the cover of the Final Official Statement. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the City on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, information and opportunity to correct or prevent such untrue statement or omission. The City and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph, no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f)

of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. Each person who controls an Underwriter within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the City within the meaning of either the Securities Act or the Exchange Act and each official, director, officer and employee of the City shall have the same rights to contribution as the City, subject in each case to the applicable terms and conditions of this paragraph.

Very truly yours,

(the “DWSD Obligations”) to be issued by the City (i) to finance certain capital expenditures of the Department for its Sewage Disposal System (the “System”), (ii) to finance the City’s purchase of its outstanding Detroit Water and Sewerage Department Sewage Disposal System bonds that have been offered by the bondholders thereof and accepted for purchase by the City (the “Tendered DWSD Bonds”) pursuant to the Invitation to Tender Bonds dated August 7, 2014 (the “Invitation”) and (iii) to pay the costs of issuance of the DWSD Obligations and the Bonds.

Payment of the principal of and interest on certain series of the Bonds (the “Insured Bonds”) when due will be insured by municipal bond insurance policies (the “Bond Insurance Policies”) to be issued by one or more bonds insurers (the “Bond Insurers”) simultaneously with the delivery of the Bonds.

The Underwriters intend to make an initial bona fide public offering of all of the Bonds at prices not in excess of the public offering prices set forth on the inside cover pages of the official statement, dated the date hereof, with respect to the Bonds (such official statement, together with the cover pages, and all exhibits, appendices and statements included therein or attached thereto being herein called the “Official Statement”) and may subsequently change such offering price without any requirement of prior notice. The Underwriters may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering price stated on the inside cover pages of the Official Statement. The Underwriters agree to furnish to the Authority an issue price and yield certificate which will contain certifications necessary to determine the issue price and yield on the Bonds.

In the event that the Underwriters fail (other than for reasons permitted herein) to accept delivery of and pay for the Bonds at the Closing (as hereinafter defined in paragraph 7(a)), the parties hereto acknowledge that the damages that the Authority and the City may suffer as a result thereof shall be difficult to ascertain, and as a result, the parties hereby agree that as liquidated damages, and not as a penalty, for the Underwriters’ failure, the Underwriters shall pay to the Authority, as liquidated damages to the Authority and to the City, an aggregate amount equal to the lesser of (i) 1% of the aggregate principal amount of the Bonds or (ii) \$5,000,000. Payment of such liquidated damages to the Authority and acceptance by the Authority, on behalf of itself and the City, shall constitute a full release and discharge of all claims and damages for such failure of the Underwriters.

The Authority acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm’s-length commercial transaction between the Authority and the Underwriters, (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriters are and have been acting solely as principals and are not acting as agents or fiduciaries of the Authority, (iii) the Underwriters have not assumed an advisory or fiduciary responsibility in favor of the Authority with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriters have provided other

services or are currently providing other services to the Authority on other matters) and the Underwriters have no obligation to the Authority with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, and (iv) the Authority has consulted its own legal, financial and other advisors to the extent it has deemed appropriate. For both subsections (ii) and (iii) herein, it is the Authority's understanding that as advisory or fiduciary relationship shall not be deemed to exist when, in the course of acting as an underwriter, broker, dealer or municipal securities dealer, a person render advice to an issuer, including advice with respect to the structure, timing, terms and other similar matters concerning a new issue of municipal securities. The Representative has been advised of the Authority's engagement of an independent registered municipal advisor. As required by Securities and Exchange Commission ("SEC") rules, the Representative discloses to you that accordingly, the Underwriters are not acting as your municipal advisor and are not subject to the fiduciary duty set forth in Section 15B(c)(1) of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

2. The Bonds shall otherwise be as described in the Resolutions (as hereinafter defined) and the Official Statement and shall be payable in lawful money of the United States as also described herein.

The Representative has been duly authorized to execute this Agreement and to act hereunder and on behalf of each Underwriter, each of whom represents that it has the legal capacity to enter into this Agreement and to carry out the transactions contemplated hereby.

The aggregate principal amount, the date, the dates of maturity, the interest rates per annum and the initial public offering prices of the Bonds are set forth in Item 1 of Exhibit A attached hereto and made a part hereof. The Bonds shall in all other respects be the same Bonds as are described in the Official Statement.

3. The United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court") has entered a final order in In re City of Detroit, Michigan, Case No. 13-53846, [a copy of which is attached hereto as [Exhibit C] (the "Bankruptcy Court Order"),] in substance (1) authorizing the City to enter into and perform the transactions contemplated under the Official Statement, including but not limited to this Agreement and all transaction documents, (2) authorizing the City to grant a lien equal or senior to, as applicable, existing liens to secure post-petition indebtedness of the City pursuant to §§ 364(c) and 364(d) of the Bankruptcy Code, (3) finding that the Authority, the Underwriters, the Bond Insurers, the holders of the DWSD Obligations and the Bonds and all assignees and transferees of the foregoing are extending credit to the City in good faith for purposes of §§ 364(e) and 921(e) of the Bankruptcy Code, (4) finding that the Pledged Assets consisting of Net Revenues constitute "special revenues" as defined in § 902(2) of the Bankruptcy Code and "pledged special revenues" as that term is used in §§ 922(d) and 928 of the Bankruptcy Code, (5) finding (or concluding) that the satisfaction of Required Combined Coverage together with the Rate Covenant constitute adequate protection of the interests of all holders of pre-petition liens securing Secured Obligations (as defined in the Bond Ordinance) that were validly existing and outstanding as of the petition date for purposes of § 364(d)(1)(B) of the Bankruptcy Code, all as more particularly described in the Bankruptcy Court Order, and (6) approving a compromise among the City and certain parties (the "DWSD Settlement Parties") resolving objections to the City's Plan of Adjustment filed by one or more of the DWSD Settlement Parties, all as more particularly

described in the Bankruptcy Court Order. Based upon the Bankruptcy Court Order, the Underwriters have determined to enter into this Agreement.

4. The Authority has authorized the execution of the Official Statement dated the date hereof and the use of such Official Statement by the Underwriters in connection with the public offering of the Bonds. The Authority has consented to the use in accordance with law by the Underwriters on or before the date hereof of the preliminary official statement with respect to the Bonds dated August [], 2014 (such preliminary official statement, together with the cover page, and all exhibits, appendices and statements included therein or attached thereto being herein called the "Preliminary Official Statement"), in connection with the public sale of the Bonds. The Authority deems the information set forth in the Preliminary Official Statement (other than the information set forth in the sections entitled [TO BE UPDATED TO COVER SECTIONS OF THE OS COVERING CITY AND DWSD] ["DEBT SERVICE ON THE DWSD OBLIGATIONS AND COVERAGE PROVIDED BY HISTORIC REVENUES," "SECURITY AND SOURCES OF PAYMENT FOR THE DWSD OBLIGATIONS," "OUTSTANDING INDEBTEDNESS OF THE DEPARTMENT," "DEBT SERVICE REQUIREMENTS," "THE DEPARTMENT," "THE SEWAGE DISPOSAL SYSTEM," "THE CAPITAL IMPROVEMENT PROGRAM," "DEPARTMENT FINANCIAL PROCEDURES," "DEPARTMENT FINANCIAL OPERATIONS," "PENSION PLAN CONTRIBUTIONS," "SOURCE AND PRIORITY OF PENSION PAYMENTS," "OTHER POST-EMPLOYMENT BENEFITS," "FEASIBILITY CONSULTANT'S REPORT," "CITY OF DETROIT BANKRUPTCY MATTERS" and "RISK FACTORS", and Appendices []]) (collectively, the "City and DWSD Portion"), to be final as of its date, as provided in Rule 15c2-12 of the SEC ("Rule 15c2-12") except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of Rule 15c2-12. The City and the Department, in the Letter of Representations (as defined herein), has deemed the information set forth in the City and DWSD Portion of the Preliminary Official Statement final as of its date. The Authority has prepared a Continuing Disclosure Undertaking, to be dated on or before the Closing (the "Undertaking"), to provide or cause to be provided, certain annual financial information and operating data, and timely notice of the occurrence of certain material events with respect to the Bonds.

6. You hereby agree that you will provide the Underwriters with information of which you have knowledge from any source concerning the occurrence of any event that impacts the accuracy and completeness of material representations contained in the Official Statement until the earlier of (a) 90 days from the end of the underwriting period, as defined below, or (b) the time when the Official Statement is available to any person from the Municipal Securities Rulemaking Board (the "MSRB"), but in no case less than 25 days following the "end of the underwriting period," as defined below. You further agree that you will cooperate with the Underwriters to the extent permitted by applicable law, in amending the Official Statement if any

of such information, in the reasonable opinion of the Underwriters or the Authority, requires that the Official Statement be amended in fulfillment of the Underwriters' responsibilities pursuant to Rule 15c2-12. Except as provided in the last sentence of this paragraph, the expense of preparation (including without limitation the fees and expenses of legal counsel, financial advisors and other experts employed by the Authority) of each such amendment or supplement and the expense of printing and delivery of the first [200] copies of an amendment or supplement to the Official Statement shall be paid by the Authority. The cost of printing and delivery in excess of [200] copies of the amendment or supplement to the Official Statement shall be paid by the Underwriters. The Underwriters agree to amend or supplement the Official Statement at its own expense in the event that any information provided by the Underwriters for inclusion in the Official Statement is materially inaccurate or incomplete.

The term "end of the underwriting period" as referred to in the preceding paragraph and elsewhere herein is the later of the delivery of the Bonds by you to the Underwriters or when the Underwriters no longer retain an unsold balance of the Bonds for sale to the public. The "end of the underwriting period" shall be deemed to be 25 days after the date of Closing, unless the Representative otherwise notifies you in writing prior to such date, to the best of its knowledge, that there exists an unsold balance of the Bonds. The deemed "end of the underwriting period" may be extended for additional periods of 25 days each upon receipt of an additional written notification from the Representative that, to the best of its knowledge, there exists an unsold balance of Bonds. The Representative agrees to file the Official Statement with the MSRB on or before the date of Closing.

(e) When delivered to the Underwriters and paid for in accordance with the terms of this Agreement, the Bonds (i) will have been duly authorized, executed and issued by the Authority pursuant to the Resolutions, and (ii) will constitute valid, legally binding, limited obligations of the Authority; provided, however, that the Bonds and the interest obligation thereon shall never constitute a debt or liability of the State of Michigan (the "State") or any agency or employee thereof within the meaning of any constitutional or statutory provision or limitation or a general obligation of the Authority and shall never create or constitute any indebtedness, liability or obligation of the State or constitute a pledge of the faith and credit of the State or the general funds or assets of the Authority (including funds pertaining to other loans or activities) but shall be a limited obligation of the Authority payable solely from the Security, as defined in the Resolutions;

(i) The Preliminary Official Statement (other than the City and DWSD Portion), as of the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact necessary to make such document, or the statements and information therein contained, in light of the circumstances under which they were made, not misleading;

(p) To the extent permitted by law, the Authority will not permit any of the proceeds of the Bonds or any other funds of the Authority to be used directly or indirectly in a manner which would result in the exclusion of any of the Bonds from the treatment afforded by Section 103(a) of the Code for any reason, including without limitation the classification of such Bonds as "private activity bonds" within the meaning of Section 141(a) of the Code or as obligations guaranteed by the United States of America, as provided in Section 149(b) of the Code; and the Authority will not take any action or omit to take any action which, by commission or omission, would cause interest on the Bonds to be includable in gross income for federal income tax purposes pursuant to Section 103 of the Code or cause such interest to be included in any alternative minimum tax other than an alternative minimum tax which applies to all tax exempt bonds generally; [ADJUST IF PRIVATE ACTIVITY BONDS WILL BE ISSUED]

(q) Other than a nonmonetary default resulting from the City having filed a petition for relief under Title 11 of the United States Code, the Authority is not, and historically has not been, in default in the payment of principal of, or premium, if any, or interest on any bonds, notes or contract payments pledged for the payment of notes or bonds and has not entered into any contract or arrangement that might give rise to any lien or encumbrance on the Pledged Funds other than as provided in the Resolutions;

(r) The Authority has complied with all continuing disclosure obligations under Rule 15c2-12 during the previous five years; and

(s) The Authority will without any cost to the Authority cooperate with the Underwriters in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriters

shall designate, provided that the Authority is not required to qualify as a foreign corporation or to consent to any general or special service of process in any jurisdiction.

It is acknowledged and agreed by the parties hereto that all covenants, representations and warranties made by the Authority herein and in any certificates given in compliance herewith, are made solely by the Authority and not by any individual executing this Agreement or any certificate in his or her own capacity, and no liability shall be imposed, directly or indirectly, on such individual.

8. (a) At 10:00 a.m., Eastern Time, on September [], 2014, or such other time and date as shall be mutually agreed upon by the Authority and the Underwriters (the "Closing"), the Authority shall direct the Trustee to deliver the Bonds to the Underwriters at the offices of The Depository Trust Company, New York, New York, in definitive form, duly executed and authenticated by the Trustee. 9. The Underwriters have entered into this Agreement in reliance upon the representations and warranties and agreements of the Authority contained herein, upon the representations and warranties and agreements of the City contained in the Letter of Representations attached hereto as Exhibit B executed and delivered on behalf of the City on the date hereof (the "Letter of Representations") and in the Local Purchase Contract, and upon the representations and warranties of the Authority and the City to be contained in the Closing Documents, and upon the performance by the Authority of its obligations hereunder, upon the performance by the City of its obligations under the Letter of Representations and the Local Purchase Contract, both as of the date hereof and as of the date of Closing. The Underwriter has received a letter from KPMG LLP, the independent accountants for the Department ("KPMG"), [in the form attached hereto as Exhibit] [providing for its consent to the inclusion of the audited financial statements of the Sewage Disposal Fund for the year ended June 30, 2013 in the Preliminary Official Statement and in the Official Statement and describing agreed-upon procedures] (the "Accountant's Letter"). Accordingly, the Underwriters' obligations under this Agreement to purchase, to accept delivery of and to pay for the Bonds shall be subject to the performance by the Authority and the City of their obligations to be performed hereunder, under the Letter of Representations and the Local Purchase Contract, at or prior to the Closing, and shall also be subject to the following conditions:

(a) The representations and warranties of the Authority contained herein shall be true, complete and correct in all material respects at the date hereof and as of the time of the Closing, as if made at and as of the time of the Closing, and the Authority shall be in compliance with each of the agreements made by it in this Agreement;

(c) The Underwriters shall have the right in their sole discretion (except where otherwise indicated below) to terminate its obligations under this Agreement to purchase, to accept delivery of and to pay for the Bonds by notifying the Authority of their election to do so, if after the acceptance hereof by the Authority and prior to the Closing:

(i) any event shall occur which makes untrue or incorrect in any material respect, as of the time of such event, any statement or information contained in the Official Statement or which is not reflected in the Official Statement but should be reflected therein in order to make the statements contained therein not misleading in any material respect and, in either event, the Authority refuses to permit the Official Statement to be supplemented to supply such statement or information or the effect of the Official Statement as so supplemented is, in the judgment of the Underwriter, to materially adversely affect the market for the Bonds or the sale, at the contemplated offering prices (or yields), by the Underwriter of the Bonds; or

(ii) the market price of the Bonds or the marketability thereof shall (in the reasonable opinion of the Underwriters) have been materially adversely affected by reason of the fact that between the date hereof and the Closing,

(A) an amendment to the Constitution of the United States or to the Constitution of the State, shall have been adopted, or

(B) legislation shall have been enacted by the Congress or by the Legislature of the State, recommended to the Congress for passage by the President of the United States or the Legislature of the State by the Governor of the State, or introduced and favorably reported for passage to either House of the Congress or of the Legislature of the State by any Committee of such House to which such legislation has been referred for consideration or by a conference committee of both Houses of the Congress; or any statement or report in respect of legislation previously introduced or favorably reported or recommended for passage shall have been made or reported to have been made by the President, any member of the Cabinet or his representative, or any agency of the Federal government, including without limitation the Internal Revenue Service, or any member or members of either House of the Congress or the members or staff of any Committee of either House of the Congress or a conference committee of both Houses of the Congress, or

(C) a decision shall have been rendered by a court established under Article III of the Constitution of the United States, or the Tax Court of the United States, or any other Federal or State court, or an order, ruling or regulation (final, temporary or proposed) shall have been made by the Treasury Department of the United States or the Internal Revenue Service or by any other Federal or State agency affecting the tax status of the Authority or its obligations for borrowed money (including the Bonds) or the interest thereon (including any such event with the purpose or effect, directly or indirectly, of imposing Federal income taxation upon, or any taxation in the State upon, such interest as would be received by the holders of the Bonds); or

(iii) a stop order, ruling, regulation, proposed regulation or statement by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering, sale or distribution of obligations of the general character of the Bonds is in violation or would be in violation of any provisions of the Securities Act of 1933, as amended (the "Securities Act"), Exchange Act, or the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"); or

(i) The execution and delivery of the Official Statement, the DWSD Transaction Documents, and the fulfillment of the terms and conditions of and the carrying out of the transactions contemplated by the DWSD Transaction Documents, do not and will not conflict with, or constitute on the part of the City a breach of or a default under, any existing law (including, without limitation, the Constitution of the State), any court or administrative regulation, decree or order or any agreement, indenture, mortgage, lease or other instrument to which the City is subject or by which it is bound and which breach or default would materially affect the validity or binding effect of any of the DWSD Obligations or the ability of the City to pay the principal of and the interest on any of the DWSD Obligations.

(j) The City has duly authorized the use of the information contained in [TO BE UPDATED TO COVER SECTIONS OF THE OS COVERING CITY AND DWSD] ["DEBT SERVICE ON THE DWSD OBLIGATIONS AND COVERAGE PROVIDED BY HISTORIC REVENUES," "SECURITY AND SOURCES OF PAYMENT FOR THE DWSD OBLIGATIONS," "OUTSTANDING INDEBTEDNESS OF THE DEPARTMENT," "DEBT SERVICE REQUIREMENTS," "THE DEPARTMENT," "THE SEWAGE DISPOSAL SYSTEM," "THE CAPITAL IMPROVEMENT PROGRAM," "DEPARTMENT FINANCIAL PROCEDURES," "DEPARTMENT FINANCIAL OPERATIONS," "PENSION PLAN CONTRIBUTIONS," "SOURCE AND PRIORITY OF PENSION PAYMENTS," "OTHER POST-EMPLOYMENT BENEFITS," "FEASIBILITY CONSULTANT'S REPORT," "CITY OF DETROIT BANKRUPTCY MATTERS" and "RISK FACTORS", and Appendices [_____] (collectively, the "City and DWSD Portion") of the Preliminary Official Statement and the Official Statement, to be used by the Underwriters in connection with the public sale of the Authority Bonds. The City has ratified and consented to such use of the Preliminary Official

Statement and the Official Statement in accordance with law by the Underwriters in connection with the public sale of the Authority Bonds and the City deems the information set forth in the City and DWSD Portion of the Preliminary Official Statement to be “final” as of its date, as provided in Rule 15c2-12 of the SEC (“Rule 15c2-12”) except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of Rule 15c2-12.

(k) The information set forth in the City and DWSD Portion of the Preliminary Official Statement and the Official Statement is true and correct in all material respects and the City and DWSD Portion of the Preliminary Official Statement and the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(m) Except as set forth in the Preliminary Official Statement and the Official Statement, subsequent to the respective dates of which information is given in the Preliminary Official Statement and the Official Statement, the City has not incurred any liabilities, direct or contingent, or entered into any transactions, not in the ordinary course of business, that are material to the business and affairs of the City and there has not been any material change in the condition, results of operation or general affairs of the City (financial or otherwise).

(n) Except as disclosed in the Preliminary Official Statement and the Official Statement, and other than an appeal of the Bankruptcy Court Order or a motion seeking a stay of the Bankruptcy Court Order pending appeal, there is no action, suit, proceeding, inquiry or investigation at law or in equity by or before any court or public board or body pending or threatened against or affecting the City (or, the knowledge of the City, any basis therefor) (i) seeking to restrain or enjoin the sale or delivery of the DWSD Obligations, or (ii) in any manner questioning the authority of the City to issue, or the issuance or validity of, any of the DWSD Obligations or any other indebtedness of the City, or (iii) questioning the constitutionality of any statute, or the validity of any proceedings, authorizing the issuance of any of the DWSD Obligations, or (iv) questioning any of the DWSD Authorizing Documents or Act 94, or (v) questioning the validity or enforceability of the DWSD Authorizing Documents or (vi) seeking to secure a lien on the Pledged Assets or the collection of the Net Revenues, as defined in the DWSD Authorizing Documents, or other moneys, securities, funds and property pledged in the DWSD Authorizing Documents that are a source of payment on the DWSD Obligations, or (vii) contesting in any way the completeness, accuracy or fairness of the Preliminary Official Statement or the Official Statement, or (viii) which might in any material respect adversely affect the transactions contemplated herein and in the Official Statement; and no right of any member of the BOWC to his or her office is being contested;

(p) The City has provided the following statement to the Authority for use in the Preliminary Official Statement and the Official Statement relating to the requirements described in Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission:

"Prior Continuing Disclosure Non-Compliance by the City

The City has entered into a number of continuing disclosure undertakings required by Rule 15c2-12 (the "Rule") promulgated by the Securities and Exchange Commission in connection with bonds previously issued by the City to finance improvements to the Sewage Disposal System. During the past five years, the City has not complied in all material respects with its obligations under such continuing disclosure undertakings, including filings of its annual financial information and updates to certain financial and operating data.

Specifically, from Fiscal Years 1996 through 2013, the City was unable to provide annual financial information within the time periods specified in the applicable agreements. The continuing disclosure undertakings entered into by the City in connection with its prior bond issuances to finance improvements to the Sewage Disposal System required filing of annual financial information within a specified time period ranging from 180 to 360 days of the City's Fiscal Year end. The audited financial statement for Fiscal Year 2009 was filed on June 4, 2010. The audited financial statement for Fiscal Year 2010 was filed on December 28, 2010. The audited financial statement for Fiscal Year 2011 was filed on January 30, 2013. The audited financial statement for Fiscal Year 2012 was filed on January 27, 2013. The audited financial statement for Fiscal Year 2013 was filed on July 29, 2014.

From Fiscal Years 1996 through 2013, the City failed to file required updates to the financial and operating data in connection with its prior bond issuances to finance improvements to the Sewage Disposal System. On July 29, 2014 the City filed updates to such financial and operating data, but such filing was incomplete in certain respects.

A failure by the City to comply with the undertakings must be reported by the City in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer

before recommending the purchase or sale in the secondary market of bonds issued by the City. Consequently, such failure may adversely affect the marketability and liquidity of bonds issued by the City and the market price thereof.”

(q) Any certificate signed by an authorized officer of the City delivered to the Underwriters and the Authority shall be deemed a representation and warranty by the City to such parties as to the statements made therein.

Section 2. Special Covenants. The City covenants and agrees with the Underwriters and the Authority as follows:

(a) The City will provide the Underwriters with information concerning the occurrence of any event that impacts the accuracy and completeness of material representations contained in the Official Statement until the earlier of (a) 90 days from the end of the underwriting period, as defined below, or (b) the time when the Official Statement is available to any person from the Municipal Securities Rulemaking Board (the “MSRB”), but in no case less than 25 days following the “end of the underwriting period,” as described in Section 6 of the Purchase Agreement. The City agrees to cooperate with the Underwriters to the extent permitted by applicable law, in amending the Official Statement if any of such information, in the reasonable opinion of the Underwriters and the Authority, requires that the Official Statement be amended in fulfillment of the Underwriters’ responsibilities pursuant to Rule 15c2-12. The expense of preparation (including without limitation the fees and expenses of legal counsel, financial advisors and other experts employed by the City) of each such amendment or supplement and the expense of printing and delivery of the first [200] copies of an amendment or supplement to the Official Statement shall be paid by the City.

(b) Between the date hereof and the date of the Closing, the City will not take any action which would cause the representations and warranties contained in Section 1 to be untrue on the date of the Closing. On the date of the Closing, the City shall deliver or cause to be delivered all opinions, certificates and other documents to be delivered by it or on its behalf as provided for in the Purchase Agreement and the Local Purchase Contract and to deliver such additional certificates and other documents as the Underwriters may reasonably request to evidence performance of or compliance with the provisions of the Purchase Agreement and the DWSD Transaction Documents, all such certificates and other documents to be satisfactory in form and substance to the Underwriters.

Section 3. Survival of Representations and Warranties. All representations, warranties, covenants and agreements contained in this Letter of Representations or contained in certificates of officers of the City submitted pursuant hereto or pursuant to the Purchase Agreement, or the Local Purchase Contract at the dates made shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Underwriters or any other person, and shall survive (i) delivery of the Authority Bonds to the Underwriters and payments by the Underwriters therefor pursuant to the Purchase Agreement, (ii) any termination of the Purchase Agreement by the Underwriters pursuant to the provisions thereof or (iii) any failure on the part of the City by the Authority to satisfy any condition to the obligations of the Underwriters specified in the Purchase Agreement, which failure results in a refusal by the Underwriters to purchase and pay for the Authority Bonds.

Section 4. Parties in Interest. This Letter of Representations shall be binding upon the City and shall inure solely to the benefit of the Underwriters and the Authority and, to the extent set forth herein, officers, directors and employees of and persons controlling the Underwriters and the Authority, and their respective personal representatives, successors and assigns, and no other person or firm shall acquire or have any right under or by virtue of this Letter of Representations.

Section 5. Indemnification. The City agrees to indemnify and hold harmless the Underwriters, the directors, officers, employees and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Securities Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any them may become subject under the Securities Act, the Exchange Act or other Federal or State statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Official Statement, the Final Official Statement (or in any amendment or supplement thereto), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. This indemnity agreement will be in addition to any liability which the City may otherwise have.

Promptly after receipt by an indemnified party of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or

proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

In the event that the indemnity provided herein is unavailable or insufficient to hold harmless an indemnified party for any reason, the City and the Underwriter agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) to which the City and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the City on the one hand and by the Underwriters on the other from the offering. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the City and the Underwriters shall contribute in such proportion as is appropriate to reflect not only such relative benefits, but also the relative fault of the City on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses, as well as any other relevant equitable considerations. In no case shall any Underwriter (except as may be provided in any agreement among the Underwriters relating to the offering) be responsible for any amount in excess of the purchase discount or fee applicable to the Authority Bonds purchased by such Underwriter hereunder. Benefits received by the City shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total purchase discounts and commissions in each case set forth on the cover of the Final Official Statement. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the City on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, information and opportunity to correct or prevent such untrue statement or omission. The City and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph, no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. Each person who controls an Underwriter within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the City within the meaning of either the Securities Act or the Exchange Act and each official, director, officer and employee of the City shall have the same rights to contribution as the City, subject in each case to the applicable terms and conditions of this paragraph.

Very truly yours,

Section 7.03. Remedies Cumulative; Solely for the Benefit of the Banks. To the extent permitted by, and subject to the mandatory requirements of, Applicable Law, each and every right, power and remedy specifically given to the Banks herein or in the other Related Documents shall be cumulative, concurrent and nonexclusive and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy (whether specifically herein given or otherwise existing) may be exercised from time to time and as often and in such order as may be deemed expedient by the Banks, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy.

The rights and remedies of the Banks specified herein are for the sole and exclusive benefit, use and protection of the Banks, and the Banks are entitled, but shall have no duty or obligation to the Authority, the City, the DWSD, the Trustee or any other Person or otherwise, to exercise or to refrain from exercising any right or remedy reserved to the Banks hereunder or under any of the other Related Documents.

Section 7.04. Waivers or Omissions. No delay or omission by the Banks in the exercise of any right, remedy or power or in the pursuit of any remedy shall impair any such right, remedy or power or be construed to be a waiver of any default on the part of the Banks or to be acquiescence therein. No express or implied waiver by the Banks of any Event of Default shall in any way be a waiver of any future or subsequent Event of Default. No delay or omission on the part of the Banks (or the Trustee) in exercising any right to acceleration of the maturity of the Bonds or any of the other Required Payments, or any remedy under the Related Documents following any Event of Default as aforesaid, or any other option granted to the Banks (or the Trustee) hereunder in any one or more instances, or the acceptance by the Banks (or the Trustee) of any partial payment on account of the Required Payments shall constitute a waiver of any such Event of Default and each such option shall remain continuously in full force and effect.

Section 7.05. Discontinuance of Proceedings. In case the Banks shall proceed to invoke any right, remedy or recourse permitted hereunder or under the Related Documents and shall thereafter elect to discontinue or abandon the same for any reason, the Banks shall have the unqualified right so to do and, in such event, the Authority, the DWSD and the Banks shall be restored to their former positions with respect to the Required Payments, the Related Documents

and otherwise, and the rights, remedies, recourse and powers of the Banks hereunder shall continue as if the same had never been invoked.

Section 7.06. Injunctive Relief. The Authority, the City and the DWSD recognize that in the event an Event of Default occurs, any remedy of law may prove to be inadequate relief to the Banks; therefore, the Authority, the City and the DWSD agree that the Banks, if the Banks so request, shall be entitled to temporary and permanent injunctive relief in any such case.

ARTICLE VIII

NATURE OF OBLIGATIONS; INDEMNIFICATION

Section 8.01. Obligations Absolute. The obligations of the Authority and the DWSD to pay all Required Payments under this Agreement and the other Related Documents shall be absolute, unconditional and irrevocable, subject, however to Section 8.05 hereof, notwithstanding any other provision of this Agreement or any other Related Document, and shall not be subject to any right of setoff, recoupment or counterclaim against the Banks or any other Owner and shall be paid and performed strictly in accordance with the terms of this Agreement under all circumstances whatsoever. Until the principal of and interest on the Bonds and all Required Payments, have been indefeasibly paid in full and all other obligations of the Authority and the DWSD hereunder and under the Related Documents have been performed and discharged, the Authority, the City and the DWSD each waive and covenant not to assert any right of setoff or recoupment against its obligation to make all payments of principal, interest and all other Required Payments due hereunder and under the other Related Documents in the amounts and at the times required hereby and thereby, and without abatement, diminution, deduction, counterclaim or defense for any reason, including, without limitation, in the following circumstances:

- (a) any lack of validity or enforceability of any of the Related Documents;
- (b) any amendment or waiver of any provision, term or condition of any of the Related Documents;
- (c) the existence of any dispute with, or any claim, right of setoff or recoupment, defense or other rights which the Authority, the City and the DWSD may have at any time against the Trustee, the DWSD Trustee, the Banks (other than the defense of payment to the Banks in accordance with the terms of this Agreement), any Owner or any other Person, whether in connection with this Agreement, the Related Documents or any transaction contemplated thereby or any unrelated transaction; and
- (d) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff or recoupment against, the Authority's or the DWSD's obligations hereunder or under any of the other Related Documents.

Section 8.02. Continuing Obligation. All covenants, agreements, representations and warranties made by the Authority, the City and the DWSD in this Agreement and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the Banks and shall survive the execution and delivery of this Agreement and the issuance and purchase by the Banks of the Bonds, regardless of any investigation made by the Banks or on its behalf and notwithstanding that the Banks may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the Bonds or any Required Payments remain outstanding and unpaid. The obligations of the Authority, the City and the DWSD under this Agreement shall survive and continue until the date upon which all amounts due and owing to the Banks hereunder and under any Bonds shall have been indefeasibly paid in full; *provided, however*, that the obligations of the Authority, the City and the DWSD pursuant to Sections 2.06, 8.03, 8.04, 9.12 and 9.13 hereof shall survive any expiration or termination of this Agreement.

Section 8.03. Liability of the Banks. The Authority, the City and the DWSD each hereby unconditionally and irrevocably releases and discharges the Banks, its Affiliates and each other Owner, and each of their respective officers, directors, employees and agents (each, a "Releasee"), from all liability or responsibility for any losses, liabilities, damages, claims, costs (including attorneys' fees), judgments or causes of action (collectively, "Liabilities") arising out of or in connection with any of the following: (a) the use that may be made of the proceeds of the Bonds or for any acts or omissions of the Authority, the City, the DWSD or the Trustee; (b) any of the acts, omissions, agreements, circumstances or conditions covered by the indemnification provided in Section 8.04 and (c) any other circumstance whatsoever in connection with the purchase and holding by the Banks (or other Owner) of the Bonds or the enforcement of this Agreement or the exercise of any rights or remedies hereunder, under any other Related Document or under law or in equity by the Banks (or other Owner); provided that, the Authority and the DWSD shall have a claim against the Banks (or other Owner) and the Banks (or other Owner) shall be liable to the Authority and the DWSD to the extent, but only to the extent, of any direct, actual damages suffered or incurred by the Authority and the DWSD, and not required to be mitigated by the Authority, the City and the DWSD, which direct, actual damages are determined by a final and nonappealable judgment of a court of competent jurisdiction to have been directly caused by the Bank's willful misconduct or gross negligence in the performance or non-performance of a duty owed to the Authority and the DWSD. The Authority, the City and the DWSD further unconditionally and irrevocably release the Releasees from all Liabilities for or constituting lost profits and from all Liabilities for or constituting consequential, special, indirect or punitive (or exemplary) damages (the right to recover or receive lost profits, consequential, special, indirect or punitive (or exemplary) damages being hereby waived), suffered or incurred by the Authority, the City and the DWSD.

Section 8.04. Indemnification; Taxes, Etc. (a) In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, only to the extent permitted by applicable law, the Authority hereby agrees to defend, indemnify and hold harmless each of the Banks, their Affiliates, each other Owner and each Participant and each of the respective officers, directors, employees and agents of the foregoing Persons (each an "Indemnified Party") from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys' fees) that an

Indemnified Party may incur (or which may be claimed against an Indemnified Party by any Person whatsoever) that arises out of or in connection with any of the transactions contemplated by this Agreement or the Related Documents, including, without limitation, (i) the issuing, offering or sale of the Bonds; (ii) the proposed or actual use of the proceeds of the Bonds; (iii) the untruth or material inaccuracy of any warranty or representation undertaken or given by the Authority in this Agreement or any Related Document or in any certificate furnished hereunder or thereunder or the breach or nonperformance by any Person of any covenant of this Agreement or any other Related Document; (iv) any act or omission of the Authority or any imposition arising from, burden imposed by, violation of, or failure to comply with, any Applicable Law by the Authority; (v) any Taxes or Other Taxes; or (vi) the involvement of any Indemnified Party in any legal suit, investigation, proceeding, inquiry or action as a consequence, direct or indirect, of the purchase or holding of the Bonds, the entering into of this Agreement or any action taken or omitted to be taken hereunder or under any of the other Related Documents or any other event or transaction contemplated by any of the foregoing; provided, in each case, that the Authority shall not be required to indemnify the Banks for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, directly caused by the willful misconduct or gross negligence of the Banks, to the extent that there has been a final and nonappealable judgment of a court of competent jurisdiction that such claims, damages, losses, liabilities, costs and expenses were directly caused by the willful misconduct or gross negligence of the Banks. If any proceeding shall be brought or threatened against an Indemnified Party by reason of or in connection with the events described in (i), (ii), (iii), (iv), (v) or (vi), such Indemnified Party shall promptly notify the Authority in writing and the Authority shall assume the defense thereof, including the employment of counsel and the payment of all costs of litigation.

(b) In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, only to the extent permitted by applicable law, the DWSD hereby agrees to defend, indemnify and hold harmless each Indemnified Party from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys' fees) that an Indemnified Party may incur (or which may be claimed against an Indemnified Party by any Person whatsoever) that arises out of or in connection with any of the transactions contemplated by this Agreement or the Related Documents, including, without limitation, (i) the issuing, offering or sale of the Bonds; (ii) the proposed or actual use of the proceeds of the Bonds; (iii) the untruth or material inaccuracy of any warranty or representation undertaken or given by the DWSD in this Agreement or any Related Document or in any certificate furnished hereunder or thereunder or the breach or nonperformance by any Person of any covenant of this Agreement or any other Related Document; (iv) any act or omission of the DWSD or any imposition arising from, burden imposed by, violation of, or failure to comply with, any Applicable Law by the DWSD; (v) any Taxes or Other Taxes; or (vi) the involvement of any Indemnified Party in any legal suit, investigation, proceeding, inquiry or action as a consequence, direct or indirect, of the purchase or holding of the Bonds, the entering into of this Agreement or any action taken or omitted to be taken hereunder or under any of the other Related Documents or any other event or transaction contemplated by any of the foregoing; provided, in each case, that the DWSD shall not be required to indemnify the Banks for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, directly caused by the willful misconduct or gross negligence of the Banks, to the extent that there has been a final and nonappealable judgment of a court of competent jurisdiction that such claims, damages, losses, liabilities, costs and expenses were

directly caused by the willful misconduct or gross negligence of the Banks. If any proceeding shall be brought or threatened against an Indemnified Party by reason of or in connection with the events described in (i), (ii), (iii), (iv), (v) or (vi), such Indemnified Party shall promptly notify the DWSD in writing and the DWSD shall assume the defense thereof, including the employment of counsel and the payment of all costs of litigation.

(c) Neither the Authority nor the DWSD will settle or compromise any such action or claim without the prior written consent of the relevant Indemnified Party if the settlement or compromise would require any act or admission by such Indemnified Party or any of its Affiliates, or impose any cost or expense on the Indemnified Party or its Affiliates or impose any limitation on the business or future actions of the Indemnified Party or its Affiliates. Notwithstanding the preceding sentence, an Indemnified Party shall have the right to employ its own counsel and to determine its own defense of such action in any such case, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (x) the employment of such counsel has been authorized in writing by the Authority or the DWSD, as applicable or (y) the Authority or the DWSD, as applicable, after due notice of the action, shall not have employed counsel to have charge of such defense, in either of which events the reasonable fees and expenses of counsel for such Indemnified Party shall be borne by the Authority or the DWSD, as applicable. The Authority and the DWSD shall not be liable for any settlement of any such action effected without its consent. Nothing under this Section 8.04 shall or shall be construed to limit the Authority's or the DWSD's payment obligations under Article II.

(d) The provisions of this Section 8.04 shall survive the termination of this Agreement and the payment in full of the Bonds and the obligations of the Authority and the DWSD thereunder and hereunder.

Section 8.05. Limited Obligations. Notwithstanding anything in this Agreement to the contrary, the Authority and the DWSD are obligated to pay their obligations under this Agreement only from the Security. The State is not obligated to pay any such obligation and neither the faith and credit nor the taxing power of the State is pledged to the payment of such obligations. The Authority and the DWSD have no taxing power. **NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, THIS AGREEMENT IS NOT A DEBT OR LIABILITY OF THE STATE OR OF ANY AGENCY OR INSTRUMENTALITY OF THE STATE, OTHER THAN THE AUTHORITY AND THE DWSD AS SET FORTH IN THE BONDS AUTHORIZING ACT, EITHER LEGAL, MORAL OR OTHERWISE. THIS AGREEMENT DOES NOT CREATE OR CONSTITUTE AN INDEBTEDNESS, LIABILITY OR OBLIGATION OF THE STATE OR CONSTITUTE A PLEDGE OF THE FULL FAITH AND CREDIT OF THE STATE. NOTHING IN THE BONDS AUTHORIZING ACT SHALL BE CONSTRUED TO AUTHORIZE THE AUTHORITY AND THE DWSD TO INCUR ANY INDEBTEDNESS OR LIABILITY ON BEHALF OF THE STATE.**

ARTICLE IX

MISCELLANEOUS

Section 9.01. Assignment of Rights to the Banks. The Authority appoints the Banks as its representative for all purposes of enforcing the rights of the owners of the DWSD Obligations as set forth in the DWSD Trust Indenture.

Section 9.02. Right of Setoff. Upon the occurrence of an Event of Default, the Banks and their Affiliates may, at any time and from time to time, without notice to the Authority and the DWSD or any other Person (any such notice being expressly waived), set off and appropriate and apply, against and on account of, any obligations and liabilities of the Authority and the DWSD to the Banks or their Affiliates, whether or not arising under or connected with this Agreement or the Related Documents and without regard to whether or not the Banks shall have made any demand therefor and although such obligations and liabilities may be contingent or unmatured and regardless of currency, place of payment or booking office thereof, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, but not including trust accounts) and any other Debt or other payment obligation at any time held or owing by the Banks or their Affiliates to or for the credit or the account of the Authority and the DWSD, whether or not arising under or connected with this Agreement or the Related Documents, whether or not matured, whether or not contingent and regardless of the currency, place of payment or booking office thereof. The rights of the Banks under this Section are in addition to other rights and remedies (including other rights of setoff) which the Banks may have at law or in equity.

Section 9.03. Amendments and Waivers; Remedies Cumulative. No amendment or waiver of any provision of this Agreement nor consent to any departure by the Authority, the City or the DWSD from any such provision shall in any event be effective unless the same shall be in writing and signed by the Banks. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. In the event any covenant or agreement contained in this Agreement should be breached by the Authority, the City or the DWSD and thereafter waived by the Banks, such waiver shall be limited to the particular breach so waived for the specific period set out in such waiver and such waiver shall not constitute a waiver of such breach for any other period and shall not waive any other or similar breach hereunder. Specifically and not in limitation of the foregoing, this Agreement may not be amended or modified by course of dealing, oral acknowledgement or agreement or by any writing, unless it is a writing which is expressly stated to constitute an amendment of this Agreement and is signed by an authorized officer for the Banks and an Authorized Officer and an authorized representative of the Authority, the City and the DWSD. The rights and remedies of the Banks hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have.

Section 9.04. Notices. All notices, requests, demands, directions and other communications (collectively "notices") under the provisions of this Agreement shall be in writing (including facsimile communication), unless otherwise expressly permitted hereunder, and shall be properly addressed and sent by registered or certified mail or by express courier for next Business Day delivery and shall be deemed received as follows: (a) if by registered or certified mail, five (5) days after mailing; (b) if by express courier for next Business Day delivery, on the next Business Day; and (c) if by facsimile, when confirmation of transmission is obtained if prior to 5:00 p.m. local time on a Business Day, and otherwise, on the next Business Day; provided that service of a notice prescribed by any applicable statute shall be considered

complete when the requirements of that statute are met. Notices by electronic mail (e-mail) shall not constitute notice under this Agreement and are only to be used in addition to notice given as prescribed under (a), (b) or (c) of this Section 9.04. Any notice or other communication shall be sufficiently given and shall be deemed given when delivered to the addressee in writing or when given by telephone immediately confirmed in writing by electronic mail or other telecommunication device.

Section 9.05. Severability. Each of the parties to this Agreement intends that each provision in this Agreement comport with all applicable requirements of law. However, if all or any portion of any provision or provisions in this Agreement is or are found by a court of competent jurisdiction to be in violation of any applicable statute, regulation, administrative or judicial decision or public policy, and if such court should declare such portion, provision or provisions of this Agreement to be invalid, unlawful, void or unenforceable as written, then it is the express intent of each of the parties hereto that the obligations, rights and interests of the respective parties under the remainder of this Agreement shall continue in full force and effect and such portion, provision or provisions which is held or determined to be invalid, unlawful, void or unenforceable as written shall, nonetheless, be enforced and binding to the fullest extent permitted by law as though such portion, provision or provisions had been written in such a manner and to such an extent as to be valid, lawful and enforceable under the circumstances.

Section 9.06. GOVERNING LAW. THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT UNDER, AND TOGETHER WITH ANY DISPUTES OR CONTROVERSIES ARISING OUT OF OR RELATING TO THIS AGREEMENT, SHALL BE

GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND APPLICABLE FEDERAL LAW, WITHOUT REGARD TO CHOICE OF LAW RULES OTHER THAN NEW YORK GENERAL OBLIGATIONS LAW SECTION 5-1401 (OR ANY SUCCESSOR STATUTE THERETO); PROVIDED THAT THE OBLIGATIONS OF THE AUTHORITY, THE CITY AND THE DWSD AND LEGAL AUTHORITY AND CAPACITY OF THE AUTHORITY, THE CITY AND THE DWSD UNDER THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE.

Section 9.07. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not have any effect for purposes of interpretation or construction of the terms of this Agreement.

Section 9.08. Successors and Assigns. (a) (i) This Agreement is a continuing obligation and shall be binding upon and inure to the benefit of the Authority, DWSD, the Banks and their respective successors, endorsees and assigns; provided, that, the Authority and the DWSD shall not assign, transfer or delegate all or any portion of their rights or obligations hereunder or under the other Related Documents without the prior written consent of the Banks. The Banks may from time to time and without the consent of the Authority, the City or the DWSD or any other Person assign, sell or transfer in whole or in part, this Agreement and any of its rights or interests hereunder and all or any part of its interest in the Bonds and the Related Documents.

(ii) Any successor to, or assignee of, Citibank, N.A. [or OTHER BANKS, TBD] as the initial Banks shall give written notice to the Authority and the DWSD and the Trustee identifying the assignee or successor as the Banks for all purposes of this Agreement and the other Related Documents. Insofar as the successor Bank is not the sole Owner of the Bonds, the group of Owners then owning a majority of the aggregate principal amount of the Bonds then Outstanding shall give notice to the Authority and the DWSD and the Trustee that they constitute the Banks as herein defined and, provided any such notice on its face establishes the requisite ownership of a majority of the aggregate principal amount of the Bonds then Outstanding by the Owners identified therein, such Owners shall thereupon constitute the Banks and shall succeed to and become vested with all of the rights, powers, privileges and responsibilities of the Banks in this Agreement and each of the other Related Documents. The predecessor Bank shall be discharged from its duties and obligations hereunder, provided that the predecessor Bank shall continue to be entitled to the benefits of Article II and Sections 8.03, 8.04, 9.12 and 9.13 hereof and of each other provision of any Related Document granting a right of payment, indemnity or reimbursement in favor of the Banks.

(iii) Each Bank may designate any nominee, designee or agent to act for and in the name of the Bank by written notice to the Authority, the DWSD and the Trustee and any such duly designated nominee, designee or agent shall thereupon be empowered to act for and on behalf of the Bank and exercise the rights, powers, privileges and responsibilities of a Bank in this Agreement and each of the other Related Documents.

(iv) The Authority and the DWSD agree to provide to the Banks, promptly upon request, a copy of the most recent financial information concerning the Authority and the DWSD in connection with any assignment or prospective assignment. A Bank may disclose to any assignees or prospective assignees any information or data in the Bank's possession relating to this Agreement, the Bonds or any other Related Document, without the consent of or notice to the Authority, the City or the DWSD.

(b) ***Certain Pledges.*** The Banks, and each of them, may at any time, without notice to, or any requirement to seek the consent of, the Authority, the City or the DWSD, pledge or grant a security interest in all or any portion of its rights under the Bonds, this Agreement and the other Related Documents (including without limitation rights to payment under the Bonds and this Agreement) to secure obligations of the Banks, including any pledge or assignment to secure obligations to a Federal Reserve Bank.

(c) ***Participations.*** The Authority, the City and the DWSD acknowledge and agree that the Banks shall have the right to grant participations in all or a portion of a Bank's interest in the Bonds, this Agreement and the other Related Documents to one or more other banking institutions (each Person granted such participation to be a "Participant"), and such Participants shall, except as set forth in the following clause (ii), be entitled to the benefits of this Agreement and the Related Documents to the same extent as if they were a direct party to this Agreement; provided, however, that (i) no such participation by any such Participant shall in any way affect the obligations of the Banks hereunder and (ii) the Authority, the City, the DWSD and the Trustee shall be required to deal only with the Banks, with respect to any matters under this Agreement, the Bonds and the other Related Documents and no such Participant shall be entitled to enforce against the Authority and the DWSD any provision hereunder. The Authority and the DWSD agree to provide to the Banks, promptly upon request, a copy of the most recent financial information concerning the Authority and the DWSD in connection with any such participation or prospective participation. The Banks may disclose to any Participants or prospective Participants any information or data in a Bank's possession relating to this Agreement, the Bonds or any other Related Document, without the consent of or notice to the Authority, the City and the DWSD. The Authority, the City and the DWSD further acknowledge and agree that upon any such participation the Participants will become owners of a pro rata portion of the participated obligations and the Authority, the City and the DWSD waive any right of setoff it may at any time have against the Banks or any Participant with regard to the participated obligations.

Section 9.09. Counterparts; Complete and Controlling Agreement. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Related Documents completely set forth the agreements between the Banks and the Authority and between the Banks and the DWSD and supersede all prior and contemporaneous understandings, agreements and contracts, both written

and oral, between the Banks and the Authority and between the Banks and the DWSD relating to the issuance, sale and purchase of the Bonds and all matters set forth herein and in the Related Documents.

Section 9.10. Waiver of Rule of Construction. The Authority, the City and the DWSD hereby waive any and all provisions of law to the effect that an ambiguity in a contract or agreement should be interpreted against the party responsible for its drafting.

Section 9.11. WAIVER OF JURY TRIAL. THE AUTHORITY, THE CITY, THE DWSD AND THE BANKS EACH HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION (WHETHER AS CLAIM, COUNTER-CLAIM, AFFIRMATIVE DEFENSE OR OTHERWISE) BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH, THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN) OR ACTIONS OF THE AUTHORITY, THE CITY, THE DWSD OR THE BANKS. THE AUTHORITY, THE CITY AND THE DWSD EACH ACKNOWLEDGE AND AGREE THAT IT HAS RECEIVED FULL AND SUFFICIENT CONSIDERATION FOR THIS PROVISION AND RECOGNIZES AND AGREES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE BANKS ENTERING INTO THIS AGREEMENT AND PURCHASING THE BONDS. THE AUTHORITY, THE CITY AND THE DWSD REPRESENT AND ACKNOWLEDGE THAT EACH HAS REVIEWED THIS PROVISION WITH ITS LEGAL COUNSEL AND THAT EACH HAS KNOWINGLY AND VOLUNTARILY WAIVED ANY JURY TRIAL RIGHTS EACH MAY HAVE FOLLOWING CONSULTATION WITH SUCH LEGAL COUNSEL.

Section 9.12. Payments Set Aside. To the extent that any payment by or on behalf of the Authority and the DWSD is made to the Banks, or the Banks exercise their right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Banks in their discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

Section 9.13. Usury. If notwithstanding the application of Section 2.08 of this Agreement, Applicable Law shall be interpreted by a court of competent jurisdiction to render usurious any amount or amounts payable to the Banks under this Agreement or under the Bonds, or contracted for, charged or received by the Banks with respect to the obligations of the Authority and the DWSD hereunder or under the Bonds, or if any acceleration or optional or extraordinary prepayment results in the Authority and the DWSD having paid any interest (together with any Charges) in excess of that permitted by Applicable Law, then it is the Bank's express intent that all excess amounts theretofore collected by the Banks shall be credited against the principal balance of the Authority's and the DWSD's obligations to the Banks and the provisions of this Agreement and the other Related Documents shall immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder modified, without the

necessity of the execution of any new documents, so as to comply with the Applicable Law, but so as to permit the recovery of the fullest amount otherwise called for hereunder or thereunder. All sums paid or agreed to be paid to the Banks, which may be characterized as interest under Applicable Law shall, to the extent permitted thereby, be amortized, prorated, allocated, and spread throughout the full stated term of the Bonds or other obligations of the Authority and the DWSD until payment in full so that the rate or amount of interest on account of such obligations does not exceed the Maximum Lawful Rate from time to time in effect and applicable to such obligations for so long as the obligations are outstanding.

Section 9.14. Electronic Signature; Electronically Signed Document. For purposes hereof, “electronic signature” means a manually-signed original signature that is then transmitted by electronic means; “transmitted by electronic means” means sent in the form of a facsimile or sent via the Internet as a pdf (portable document format) or other replicating image attached to an e-mail message; and, “electronically signed document” means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature. The parties agree that the electronic signature of a party to this Agreement (or any amendment or supplement of this Agreement) shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed document (including this Agreement) shall be deemed (i) to be “written” or “in writing,” (ii) to have been signed, and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or “printouts”, if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule.

Section 9.15. No Advisory or Fiduciary Responsibility. Each of this Agreement and the Related Documents (other than the DWSD Obligations) to which the City and the DWSD is a party constitutes a legal, valid and binding obligation of the City and the DWSD, enforceable against the DWSD in accordance with its terms, except as such enforceability may be limited by applicable reorganization, insolvency, liquidation, readjustment of debt, moratorium or other similar laws affecting the enforcement of the rights of creditors generally and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law). Each DWSD Obligation when issued, and as authenticated and delivered by the DWSD Trustee against payment therefor will have been duly issued, authenticated and delivered under the Bonds Authorizing Act and in conformity with the DWSD Trust Indenture and will constitute the legal, valid and binding obligations of the DWSD enforceable in accordance with their terms, and will be entitled to the benefits of the DWSD Trust Indenture. The obligation of the DWSD under the DWSD Trust Indenture is absolute and unconditional payable solely from the Security.

Section 4.23. Compliance of Agreement, Related Documents with Applicable Law, Organizational Documents, Etc. The execution, delivery and performance of this Agreement and each of the other Related Documents in accordance with its and their respective terms, the assignment and pledge of the Security and the consummation of the Transactions do not and will not (a) contravene or conflict with the DWSD's by-laws or other organizational documents or with any provision of the Bonds Authorizing Act, (b) require any consent or approval of any creditor of the DWSD or the City, (c) violate any Applicable Law (including, without limitation, Regulations T, U or X of the Board of Governors of the Federal Reserve System, or any successor regulations), (d) conflict with, result in a breach of or constitute a default under any Contract relating to the Security to which the DWSD or the City is a party or by which any of its properties or assets may be bound or (e) result in or require the creation or imposition of any charge, pledge, security interest, encumbrance or other Lien upon or with respect to the Security except such Liens, if any, created by this Agreement or the DWSD Trust Indenture. The DWSD Bond Resolution has been adopted in compliance with all requirements of Applicable Law.

Section 4.24. Governmental Approvals. All authorizations, consents, and other Governmental Approvals necessary for the City and the DWSD to enter into this Agreement and the other Related Documents and perform the transactions contemplated hereby and thereby have been obtained and remain in full force and effect and are subject to no further administrative or judicial review. by the City or the DWSD of this Agreement or the due execution, delivery or performance by the City or the DWSD of the Related Documents to which it is a party.

Section 4.25. Compliance with Law. The DWSD is in compliance with all Applicable Laws, including all Governmental Approvals, except for noncompliance that, singly or in the aggregate, has not had and will not have a Material Adverse Effect or have an adverse effect on the DWSD's ability to perform its obligations under this Agreement and under the other Related Documents. The DWSD has not received any complaint or other notice alleging a violation of or failure to comply with, any judgment, order, writ, injunction or decree of any Governmental Authority applicable to the DWSD or the Transactions or any statute, law, rule or regulation applicable to the DWSD or the Transactions. No fact is known to the City or the DWSD which has had or, so far as the City and the DWSD can now reasonably foresee, may in the future have a Material Adverse Effect, which has not been set forth in such information, reports or other data disclosed in writing to the Banks and to the Authority prior to the Closing Date. Any financial, budget and other projections furnished to the Banks and the Authority by the DWSD or its agents were prepared in good faith on the basis of the assumptions stated therein, which assumptions were fair and reasonable in light of the conditions existing at the time of delivery of such financial, budget or other projections, and represented, and as of the date of this representation, represent the DWSD's best estimate of its future financial performance. No document furnished nor any representation, warranty or other written statement made to the Banks and the Authority in connection with the negotiation, preparation or execution of this Agreement or the Related Documents contains or will contain

any untrue statement of a material fact or omits or will omit (as of the date made or furnished) to state any material fact necessary in order to make the statements contained herein or therein, in the light of the circumstances under which they were or will be made, not misleading.

Section 4.29. Sovereign Immunity. The DWSD is not entitled to claim the defense of sovereign immunity or statutory immunity in any action arising out of its obligations as set forth in this Agreement.

Section 4.35. No Proposed Legal Changes. There is no amendment, or to the best knowledge of the City and the DWSD, proposed amendment to the Constitution of the State or any State law or any published administrative interpretation of the Constitution of the State or any State law, or any proposition or referendum (or proposed proposition or referendum) or other ballot initiative or any legislation that has passed either house of the legislature of the State, or any published judicial decision interpreting any of the foregoing, the effect of which could

reasonably be expected to affect adversely (a) the issuance of, or Security for, any of the DWSD Obligations, (b) the rights or remedies of the Banks or of any Owner of the DWSD Obligations, (c) the DWSD's power or ability to perform its obligations under the Bonds Authorizing Act, or (d) the DWSD's existence or its power or ability to perform its obligations hereunder or under any of the other Related Documents including without limitation the DWSD's ability to repay when due its obligations under this Agreement and the DWSD Obligations.

(c) deliver a notice to the Trustee, the Authority and the DWSD that an Event of Default has occurred and is continuing and instructing the Trustee to take all actions required as provided under the Indenture;

(d) cure any Default, Event of Default or event of nonperformance hereunder or under any other Related Document; provided, however, that the Banks shall have no obligation to effect such a cure; and

(e) exercise, or cause to be exercised, any and all remedies as it may have to realize on the Security under the other Related Documents including, without limitation, any rights it holds as a holder singly or together with other holders of Parity Debt to accelerate the Bonds and the other Parity Debt as provided in the Authority Bond Resolution and the Related Documents and to take any and all actions otherwise available under the Authority Bond Resolution and the Related Documents and any and all remedies as are otherwise available at law or in equity.

Section 7.03. Remedies Cumulative; Solely for the Benefit of the Banks. To the extent permitted by, and subject to the mandatory requirements of, Applicable Law, each and every right, power and remedy specifically given to the Banks herein or in the other Related Documents shall be cumulative, concurrent and nonexclusive and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy (whether specifically herein given or otherwise existing) may be exercised from time to time and as often and in such order as may be deemed expedient by the Banks, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy.

The rights and remedies of the Banks specified herein are for the sole and exclusive benefit, use and protection of the Banks, and the Banks are entitled, but shall have no duty or obligation to the Authority, the City, the DWSD, the Trustee or any other Person or otherwise, to exercise or to refrain from exercising any right or remedy reserved to the Banks hereunder or under any of the other Related Documents.

Section 7.04. Waivers or Omissions. No delay or omission by the Banks in the exercise of any right, remedy or power or in the pursuit of any remedy shall impair any such right, remedy or power or be construed to be a waiver of any default on the part of the Banks or to be acquiescence therein. No express or implied waiver by the Banks of any Event of Default shall in any way be a waiver of any future or subsequent Event of Default. No delay or omission on the part of the Banks (or the Trustee) in exercising any right to acceleration of the maturity of the Bonds or any of the other Required Payments, or any remedy under the Related Documents following any Event of Default as aforesaid, or any other option granted to the Banks (or the Trustee) hereunder in any one or more instances, or the acceptance by the Banks (or the Trustee) of any partial payment on account of the Required Payments shall constitute a waiver of any such Event of Default and each such option shall remain continuously in full force and effect.

Section 7.05. Discontinuance of Proceedings. In case the Banks shall proceed to invoke any right, remedy or recourse permitted hereunder or under the Related Documents and shall thereafter elect to discontinue or abandon the same for any reason, the Banks shall have the unqualified right so to do and, in such event, the Authority, the DWSD and the Banks shall be restored to their former positions with respect to the Required Payments, the Related Documents

and otherwise, and the rights, remedies, recourse and powers of the Banks hereunder shall continue as if the same had never been invoked.

Section 7.06. Injunctive Relief. The Authority, the City and the DWSD recognize that in the event an Event of Default occurs, any remedy of law may prove to be inadequate relief to the Banks; therefore, the Authority, the City and the DWSD agree that the Banks, if the Banks so request, shall be entitled to temporary and permanent injunctive relief in any such case.

ARTICLE VIII

NATURE OF OBLIGATIONS; INDEMNIFICATION

Section 8.01. Obligations Absolute. The obligations of the Authority and the DWSD to pay all Required Payments under this Agreement and the other Related Documents shall be absolute, unconditional and irrevocable, subject, however to Section 8.05 hereof, notwithstanding any other provision of this Agreement or any other Related Document, and shall not be subject to any right of setoff, recoupment or counterclaim against the Banks or any other Owner and shall be paid and performed strictly in accordance with the terms of this Agreement under all circumstances whatsoever. Until the principal of and interest on the Bonds and all Required Payments, have been indefeasibly paid in full and all other obligations of the Authority and the DWSD hereunder and under the Related Documents have been performed and discharged, the Authority, the City and the DWSD each waive and covenant not to assert any right of setoff or recoupment against its obligation to make all payments of principal, interest and all other Required Payments due hereunder and under the other Related Documents in the amounts and at the times required hereby and thereby, and without abatement, diminution, deduction, counterclaim or defense for any reason, including, without limitation, in the following circumstances:

- (a) any lack of validity or enforceability of any of the Related Documents;
- (b) any amendment or waiver of any provision, term or condition of any of the Related Documents;
- (c) the existence of any dispute with, or any claim, right of setoff or recoupment, defense or other rights which the Authority, the City and the DWSD may have at any time against the Trustee, the DWSD Trustee, the Banks (other than the defense of payment to the Banks in accordance with the terms of this Agreement), any Owner or any other Person, whether in connection with this Agreement, the Related Documents or any transaction contemplated thereby or any unrelated transaction; and
- (d) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff or recoupment against, the Authority's or the DWSD's obligations hereunder or under any of the other Related Documents.

Section 8.02. Continuing Obligation. All covenants, agreements, representations and warranties made by the Authority, the City and the DWSD in this Agreement and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the Banks and shall survive the execution and delivery of this Agreement and the issuance and purchase by the Banks of the Bonds, regardless of any investigation made by the Banks or on its behalf and notwithstanding that the Banks may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the Bonds or any Required Payments remain outstanding and unpaid. The obligations of the Authority, the City and the DWSD under this Agreement shall survive and continue until the date upon which all amounts due and owing to the Banks hereunder and under any Bonds shall have been indefeasibly paid in full; *provided, however*, that the obligations of the Authority, the City and the DWSD pursuant to Sections 2.06, 8.03, 8.04, 9.12 and 9.13 hereof shall survive any expiration or termination of this Agreement.

Section 8.03. Liability of the Banks. The Authority, the City and the DWSD each hereby unconditionally and irrevocably releases and discharges the Banks, its Affiliates and each other Owner, and each of their respective officers, directors, employees and agents (each, a "Releasee"), from all liability or responsibility for any losses, liabilities, damages, claims, costs (including attorneys' fees), judgments or causes of action (collectively, "Liabilities") arising out of or in connection with any of the following: (a) the use that may be made of the proceeds of the Bonds or for any acts or omissions of the Authority, the City, the DWSD or the Trustee; (b) any of the acts, omissions, agreements, circumstances or conditions covered by the indemnification provided in Section 8.04 and (c) any other circumstance whatsoever in connection with the purchase and holding by the Banks (or other Owner) of the Bonds or the enforcement of this Agreement or the exercise of any rights or remedies hereunder, under any other Related Document or under law or in equity by the Banks (or other Owner); provided that, the Authority and the DWSD shall have a claim against the Banks (or other Owner) and the Banks (or other Owner) shall be liable to the Authority and the DWSD to the extent, but only to the extent, of any direct, actual damages suffered or incurred by the Authority and the DWSD, and not required to be mitigated by the Authority, the City and the DWSD, which direct, actual damages are determined by a final and nonappealable judgment of a court of competent jurisdiction to have been directly caused by the Bank's willful misconduct or gross negligence in the performance or non-performance of a duty owed to the Authority and the DWSD. The Authority, the City and the DWSD further unconditionally and irrevocably release the Releasees from all Liabilities for or constituting lost profits and from all Liabilities for or constituting consequential, special, indirect or punitive (or exemplary) damages (the right to recover or receive lost profits, consequential, special, indirect or punitive (or exemplary) damages being hereby waived), suffered or incurred by the Authority, the City and the DWSD.

Section 8.04. Indemnification; Taxes, Etc. (a) In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, only to the extent permitted by applicable law, the Authority hereby agrees to defend, indemnify and hold harmless each of the Banks, their Affiliates, each other Owner and each Participant and each of the respective officers, directors, employees and agents of the foregoing Persons (each an "Indemnified Party") from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys' fees) that an

Indemnified Party may incur (or which may be claimed against an Indemnified Party by any Person whatsoever) that arises out of or in connection with any of the transactions contemplated by this Agreement or the Related Documents, including, without limitation, (i) the issuing, offering or sale of the Bonds; (ii) the proposed or actual use of the proceeds of the Bonds; (iii) the untruth or material inaccuracy of any warranty or representation undertaken or given by the Authority in this Agreement or any Related Document or in any certificate furnished hereunder or thereunder or the breach or nonperformance by any Person of any covenant of this Agreement or any other Related Document; (iv) any act or omission of the Authority or any imposition arising from, burden imposed by, violation of, or failure to comply with, any Applicable Law by the Authority; (v) any Taxes or Other Taxes; or (vi) the involvement of any Indemnified Party in any legal suit, investigation, proceeding, inquiry or action as a consequence, direct or indirect, of the purchase or holding of the Bonds, the entering into of this Agreement or any action taken or omitted to be taken hereunder or under any of the other Related Documents or any other event or transaction contemplated by any of the foregoing; provided, in each case, that the Authority shall not be required to indemnify the Banks for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, directly caused by the willful misconduct or gross negligence of the Banks, to the extent that there has been a final and nonappealable judgment of a court of competent jurisdiction that such claims, damages, losses, liabilities, costs and expenses were directly caused by the willful misconduct or gross negligence of the Banks. If any proceeding shall be brought or threatened against an Indemnified Party by reason of or in connection with the events described in (i), (ii), (iii), (iv), (v) or (vi), such Indemnified Party shall promptly notify the Authority in writing and the Authority shall assume the defense thereof, including the employment of counsel and the payment of all costs of litigation.

(b) In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, only to the extent permitted by applicable law, the DWSD hereby agrees to defend, indemnify and hold harmless each Indemnified Party from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys' fees) that an Indemnified Party may incur (or which may be claimed against an Indemnified Party by any Person whatsoever) that arises out of or in connection with any of the transactions contemplated by this Agreement or the Related Documents, including, without limitation, (i) the issuing, offering or sale of the Bonds; (ii) the proposed or actual use of the proceeds of the Bonds; (iii) the untruth or material inaccuracy of any warranty or representation undertaken or given by the DWSD in this Agreement or any Related Document or in any certificate furnished hereunder or thereunder or the breach or nonperformance by any Person of any covenant of this Agreement or any other Related Document; (iv) any act or omission of the DWSD or any imposition arising from, burden imposed by, violation of, or failure to comply with, any Applicable Law by the DWSD; (v) any Taxes or Other Taxes; or (vi) the involvement of any Indemnified Party in any legal suit, investigation, proceeding, inquiry or action as a consequence, direct or indirect, of the purchase or holding of the Bonds, the entering into of this Agreement or any action taken or omitted to be taken hereunder or under any of the other Related Documents or any other event or transaction contemplated by any of the foregoing; provided, in each case, that the DWSD shall not be required to indemnify the Banks for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, directly caused by the willful misconduct or gross negligence of the Banks, to the extent that there has been a final and nonappealable judgment of a court of competent jurisdiction that such claims, damages, losses, liabilities, costs and expenses were

directly caused by the willful misconduct or gross negligence of the Banks. If any proceeding shall be brought or threatened against an Indemnified Party by reason of or in connection with the events described in (i), (ii), (iii), (iv), (v) or (vi), such Indemnified Party shall promptly notify the DWSD in writing and the DWSD shall assume the defense thereof, including the employment of counsel and the payment of all costs of litigation.

(c) Neither the Authority nor the DWSD will settle or compromise any such action or claim without the prior written consent of the relevant Indemnified Party if the settlement or compromise would require any act or admission by such Indemnified Party or any of its Affiliates, or impose any cost or expense on the Indemnified Party or its Affiliates or impose any limitation on the business or future actions of the Indemnified Party or its Affiliates. Notwithstanding the preceding sentence, an Indemnified Party shall have the right to employ its own counsel and to determine its own defense of such action in any such case, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (x) the employment of such counsel has been authorized in writing by the Authority or the DWSD, as applicable or (y) the Authority or the DWSD, as applicable, after due notice of the action, shall not have employed counsel to have charge of such defense, in either of which events the reasonable fees and expenses of counsel for such Indemnified Party shall be borne by the Authority or the DWSD, as applicable. The Authority and the DWSD shall not be liable for any settlement of any such action effected without its consent. Nothing under this Section 8.04 shall or shall be construed to limit the Authority's or the DWSD's payment obligations under Article II.

(d) The provisions of this Section 8.04 shall survive the termination of this Agreement and the payment in full of the Bonds and the obligations of the Authority and the DWSD thereunder and hereunder.

Section 8.05. Limited Obligations. Notwithstanding anything in this Agreement to the contrary, the Authority and the DWSD are obligated to pay their obligations under this Agreement only from the Security. The State is not obligated to pay any such obligation and neither the faith and credit nor the taxing power of the State is pledged to the payment of such obligations. The Authority and the DWSD have no taxing power. **NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, THIS AGREEMENT IS NOT A DEBT OR LIABILITY OF THE STATE OR OF ANY AGENCY OR INSTRUMENTALITY OF THE STATE, OTHER THAN THE AUTHORITY AND THE DWSD AS SET FORTH IN THE BONDS AUTHORIZING ACT, EITHER LEGAL, MORAL OR OTHERWISE. THIS AGREEMENT DOES NOT CREATE OR CONSTITUTE AN INDEBTEDNESS, LIABILITY OR OBLIGATION OF THE STATE OR CONSTITUTE A PLEDGE OF THE FULL FAITH AND CREDIT OF THE STATE. NOTHING IN THE BONDS AUTHORIZING ACT SHALL BE CONSTRUED TO AUTHORIZE THE AUTHORITY AND THE DWSD TO INCUR ANY INDEBTEDNESS OR LIABILITY ON BEHALF OF THE STATE.**

ARTICLE IX

MISCELLANEOUS

Section 9.01. Assignment of Rights to the Banks. The Authority appoints the Banks as its representative for all purposes of enforcing the rights of the owners of the DWSD Obligations as set forth in the DWSD Trust Indenture.

Section 9.02. Right of Setoff. Upon the occurrence of an Event of Default, the Banks and their Affiliates may, at any time and from time to time, without notice to the Authority and the DWSD or any other Person (any such notice being expressly waived), set off and appropriate and apply, against and on account of, any obligations and liabilities of the Authority and the DWSD to the Banks or their Affiliates, whether or not arising under or connected with this Agreement or the Related Documents and without regard to whether or not the Banks shall have made any demand therefor and although such obligations and liabilities may be contingent or unmatured and regardless of currency, place of payment or booking office thereof, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, but not including trust accounts) and any other Debt or other payment obligation at any time held or owing by the Banks or their Affiliates to or for the credit or the account of the Authority and the DWSD, whether or not arising under or connected with this Agreement or the Related Documents, whether or not matured, whether or not contingent and regardless of the currency, place of payment or booking office thereof. The rights of the Banks under this Section are in addition to other rights and remedies (including other rights of setoff) which the Banks may have at law or in equity.

Section 9.03. Amendments and Waivers; Remedies Cumulative. No amendment or waiver of any provision of this Agreement nor consent to any departure by the Authority, the City or the DWSD from any such provision shall in any event be effective unless the same shall be in writing and signed by the Banks. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. In the event any covenant or agreement contained in this Agreement should be breached by the Authority, the City or the DWSD and thereafter waived by the Banks, such waiver shall be limited to the particular breach so waived for the specific period set out in such waiver and such waiver shall not constitute a waiver of such breach for any other period and shall not waive any other or similar breach hereunder. Specifically and not in limitation of the foregoing, this Agreement may not be amended or modified by course of dealing, oral acknowledgement or agreement or by any writing, unless it is a writing which is expressly stated to constitute an amendment of this Agreement and is signed by an authorized officer for the Banks and an Authorized Officer and an authorized representative of the Authority, the City and the DWSD. The rights and remedies of the Banks hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have.

Section 9.04. Notices. All notices, requests, demands, directions and other communications (collectively “notices”) under the provisions of this Agreement shall be in writing (including facsimile communication), unless otherwise expressly permitted hereunder, and shall be properly addressed and sent by registered or certified mail or by express courier for next Business Day delivery and shall be deemed received as follows: (a) if by registered or certified mail, five (5) days after mailing; (b) if by express courier for next Business Day delivery, on the next Business Day; and (c) if by facsimile, when confirmation of transmission is obtained if prior to 5:00 p.m. local time on a Business Day, and otherwise, on the next Business Day; provided that service of a notice prescribed by any applicable statute shall be considered

complete when the requirements of that statute are met. Notices by electronic mail (e-mail) shall not constitute notice under this Agreement and are only to be used in addition to notice given as prescribed under (a), (b) or (c) of this Section 9.04. Any notice or other communication shall be sufficiently given and shall be deemed given when delivered to the addressee in writing or when given by telephone immediately confirmed in writing by electronic mail or other telecommunication device.

Section 9.05. Severability. Each of the parties to this Agreement intends that each provision in this Agreement comport with all applicable requirements of law. However, if all or any portion of any provision or provisions in this Agreement is or are found by a court of competent jurisdiction to be in violation of any applicable statute, regulation, administrative or judicial decision or public policy, and if such court should declare such portion, provision or provisions of this Agreement to be invalid, unlawful, void or unenforceable as written, then it is the express intent of each of the parties hereto that the obligations, rights and interests of the respective parties under the remainder of this Agreement shall continue in full force and effect and such portion, provision or provisions which is held or determined to be invalid, unlawful, void or unenforceable as written shall, nonetheless, be enforced and binding to the fullest extent permitted by law as though such portion, provision or provisions had been written in such a manner and to such an extent as to be valid, lawful and enforceable under the circumstances.

Section 9.06. GOVERNING LAW. THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT UNDER, AND TOGETHER WITH ANY DISPUTES OR CONTROVERSIES ARISING OUT OF OR RELATING TO THIS AGREEMENT, SHALL BE

GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK AND APPLICABLE FEDERAL LAW, WITHOUT REGARD TO CHOICE OF LAW RULES OTHER THAN NEW YORK GENERAL OBLIGATIONS LAW SECTION 5-1401 (OR ANY SUCCESSOR STATUTE THERETO); PROVIDED THAT THE OBLIGATIONS OF THE AUTHORITY, THE CITY AND THE DWSD AND LEGAL AUTHORITY AND CAPACITY OF THE AUTHORITY, THE CITY AND THE DWSD UNDER THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE.

Section 9.07. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not have any effect for purposes of interpretation or construction of the terms of this Agreement.

Section 9.08. Successors and Assigns. (a) (i) This Agreement is a continuing obligation and shall be binding upon and inure to the benefit of the Authority, DWSD, the Banks and their respective successors, endorsees and assigns; provided, that, the Authority and the DWSD shall not assign, transfer or delegate all or any portion of their rights or obligations hereunder or under the other Related Documents without the prior written consent of the Banks. The Banks may from time to time and without the consent of the Authority, the City or the DWSD or any other Person assign, sell or transfer in whole or in part, this Agreement and any of its rights or interests hereunder and all or any part of its interest in the Bonds and the Related Documents.

(ii) Any successor to, or assignee of, Citibank, N.A. [or OTHER BANKS, TBD] as the initial Banks shall give written notice to the Authority and the DWSD and the Trustee identifying the assignee or successor as the Banks for all purposes of this Agreement and the other Related Documents. Insofar as the successor Bank is not the sole Owner of the Bonds, the group of Owners then owning a majority of the aggregate principal amount of the Bonds then Outstanding shall give notice to the Authority and the DWSD and the Trustee that they constitute the Banks as herein defined and, provided any such notice on its face establishes the requisite ownership of a majority of the aggregate principal amount of the Bonds then Outstanding by the Owners identified therein, such Owners shall thereupon constitute the Banks and shall succeed to and become vested with all of the rights, powers, privileges and responsibilities of the Banks in this Agreement and each of the other Related Documents. The predecessor Bank shall be discharged from its duties and obligations hereunder, provided that the predecessor Bank shall continue to be entitled to the benefits of Article II and Sections 8.03, 8.04, 9.12 and 9.13 hereof and of each other provision of any Related Document granting a right of payment, indemnity or reimbursement in favor of the Banks.

(iii) Each Bank may designate any nominee, designee or agent to act for and in the name of the Bank by written notice to the Authority, the DWSD and the Trustee and any such duly designated nominee, designee or agent shall thereupon be empowered to act for and on behalf of the Bank and exercise the rights, powers, privileges and responsibilities of a Bank in this Agreement and each of the other Related Documents.

(iv) The Authority and the DWSD agree to provide to the Banks, promptly upon request, a copy of the most recent financial information concerning the Authority and the DWSD in connection with any assignment or prospective assignment. A Bank may disclose to any assignees or prospective assignees any information or data in the Bank's possession relating to this Agreement, the Bonds or any other Related Document, without the consent of or notice to the Authority, the City or the DWSD.

(b) ***Certain Pledges.*** The Banks, and each of them, may at any time, without notice to, or any requirement to seek the consent of, the Authority, the City or the DWSD, pledge or grant a security interest in all or any portion of its rights under the Bonds, this Agreement and the other Related Documents (including without limitation rights to payment under the Bonds and this Agreement) to secure obligations of the Banks, including any pledge or assignment to secure obligations to a Federal Reserve Bank.

(c) ***Participations.*** The Authority, the City and the DWSD acknowledge and agree that the Banks shall have the right to grant participations in all or a portion of a Bank's interest in the Bonds, this Agreement and the other Related Documents to one or more other banking institutions (each Person granted such participation to be a "Participant"), and such Participants shall, except as set forth in the following clause (ii), be entitled to the benefits of this Agreement and the Related Documents to the same extent as if they were a direct party to this Agreement; provided, however, that (i) no such participation by any such Participant shall in any way affect the obligations of the Banks hereunder and (ii) the Authority, the City, the DWSD and the Trustee shall be required to deal only with the Banks, with respect to any matters under this Agreement, the Bonds and the other Related Documents and no such Participant shall be entitled to enforce against the Authority and the DWSD any provision hereunder. The Authority and the DWSD agree to provide to the Banks, promptly upon request, a copy of the most recent financial information concerning the Authority and the DWSD in connection with any such participation or prospective participation. The Banks may disclose to any Participants or prospective Participants any information or data in a Bank's possession relating to this Agreement, the Bonds or any other Related Document, without the consent of or notice to the Authority, the City and the DWSD. The Authority, the City and the DWSD further acknowledge and agree that upon any such participation the Participants will become owners of a pro rata portion of the participated obligations and the Authority, the City and the DWSD waive any right of setoff it may at any time have against the Banks or any Participant with regard to the participated obligations.

Section 9.09. Counterparts; Complete and Controlling Agreement. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Related Documents completely set forth the agreements between the Banks and the Authority and between the Banks and the DWSD and supersede all prior and contemporaneous understandings, agreements and contracts, both written

and oral, between the Banks and the Authority and between the Banks and the DWSD relating to the issuance, sale and purchase of the Bonds and all matters set forth herein and in the Related Documents.

Section 9.10. Waiver of Rule of Construction. The Authority, the City and the DWSD hereby waive any and all provisions of law to the effect that an ambiguity in a contract or agreement should be interpreted against the party responsible for its drafting.

Section 9.11. WAIVER OF JURY TRIAL. THE AUTHORITY, THE CITY, THE DWSD AND THE BANKS EACH HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION (WHETHER AS CLAIM, COUNTER-CLAIM, AFFIRMATIVE DEFENSE OR OTHERWISE) BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH, THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN) OR ACTIONS OF THE AUTHORITY, THE CITY, THE DWSD OR THE BANKS. THE AUTHORITY, THE CITY AND THE DWSD EACH ACKNOWLEDGE AND AGREE THAT IT HAS RECEIVED FULL AND SUFFICIENT CONSIDERATION FOR THIS PROVISION AND RECOGNIZES AND AGREES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE BANKS ENTERING INTO THIS AGREEMENT AND PURCHASING THE BONDS. THE AUTHORITY, THE CITY AND THE DWSD REPRESENT AND ACKNOWLEDGE THAT EACH HAS REVIEWED THIS PROVISION WITH ITS LEGAL COUNSEL AND THAT EACH HAS KNOWINGLY AND VOLUNTARILY WAIVED ANY JURY TRIAL RIGHTS EACH MAY HAVE FOLLOWING CONSULTATION WITH SUCH LEGAL COUNSEL.

Section 9.12. Payments Set Aside. To the extent that any payment by or on behalf of the Authority and the DWSD is made to the Banks, or the Banks exercise their right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Banks in their discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

Section 9.13. Usury. If notwithstanding the application of Section 2.08 of this Agreement, Applicable Law shall be interpreted by a court of competent jurisdiction to render usurious any amount or amounts payable to the Banks under this Agreement or under the Bonds, or contracted for, charged or received by the Banks with respect to the obligations of the Authority and the DWSD hereunder or under the Bonds, or if any acceleration or optional or extraordinary prepayment results in the Authority and the DWSD having paid any interest (together with any Charges) in excess of that permitted by Applicable Law, then it is the Bank's express intent that all excess amounts theretofore collected by the Banks shall be credited against the principal balance of the Authority's and the DWSD's obligations to the Banks and the provisions of this Agreement and the other Related Documents shall immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder modified, without the

necessity of the execution of any new documents, so as to comply with the Applicable Law, but so as to permit the recovery of the fullest amount otherwise called for hereunder or thereunder. All sums paid or agreed to be paid to the Banks, which may be characterized as interest under Applicable Law shall, to the extent permitted thereby, be amortized, prorated, allocated, and spread throughout the full stated term of the Bonds or other obligations of the Authority and the DWSD until payment in full so that the rate or amount of interest on account of such obligations does not exceed the Maximum Lawful Rate from time to time in effect and applicable to such obligations for so long as the obligations are outstanding.

Section 9.14. Electronic Signature; Electronically Signed Document. For purposes hereof, “electronic signature” means a manually-signed original signature that is then transmitted by electronic means; “transmitted by electronic means” means sent in the form of a facsimile or sent via the Internet as a pdf (portable document format) or other replicating image attached to an e-mail message; and, “electronically signed document” means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature. The parties agree that the electronic signature of a party to this Agreement (or any amendment or supplement of this Agreement) shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed document (including this Agreement) shall be deemed (i) to be “written” or “in writing,” (ii) to have been signed, and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or “printouts”, if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule.

Section 9.15. No Advisory or Fiduciary Responsibility. Act 94 of 1933

Relevant Provisions

141.101 Short title; revenue bond act of 1933.

Sec.1.

This act shall be known and may be cited as “the revenue bond act of 1933.”

141.102 Construction of act.

Sec. 2.

This act shall be construed as cumulative authority for the exercise of the powers herein granted and shall not be construed to repeal any existing laws with respect thereto, it being the purpose and intention of this act to create full and complete additional and alternate methods for the exercise of such powers. The powers conferred by this act shall not be affected or limited by any other statute or by any charter, except as otherwise herein provided. The functions, powers and duties of the state commissioner of health in connection with any such public improvement shall remain unaffected by this act.

141.103 Definitions.

Sec. 3.

As used in this act:

(a) “Public corporation” means a county, city, village, township, school district, port district, or metropolitan district of the state or a combination of these if authorized by law to act jointly; an authority created by or under an act of the legislature; or a municipal health facilities corporation or subsidiary municipal health facilities corporation incorporated as provided in the municipal health facilities corporations act, 1987 PA 230, MCL 331.1101 to 331.1507.

The term “public improvement” means the whole or a part of any of these improvements or of any combination of these improvements or any interest or participation in these improvements, as determined by the governing body. The definition contained in this subdivision does not broaden or enlarge the extent of a particular public improvement made by a public corporation.

(c) “Borrower” means a public corporation exercising the power to issue bonds as provided in this act.

(d) “Governing body” means for a county, the board of commissioners; for a city, the body having legislative powers; for a village, the body having legislative powers; for a township, the township board; for a school district, the board of education; for a port district, the port commission; for a metropolitan district, the legislative body of the district; for a municipal health facilities corporation, the board of trustees; for a nonprofit subsidiary municipal health facilities corporation, the nonprofit subsidiary board; and for an authority, the body in which is lodged general governing powers. Unless the charter or law specifically provides otherwise, the separate board shall adopt the bond authorizing ordinance, but shall not pledge full faith and credit.

(i) "Ordinance" means an ordinance, resolution, or other appropriate legislative enactment of the governing body of a public corporation.

(j) "Approved cable television system" or "approved cable communication system" means a cable television or communication system to which 1 of the following applies:

(i) A municipality acquires or establishes the system either before January 1, 1987 or before a system is established in that municipality by a private person.

141.104 Municipal public improvements; limitations; bonds; acquiring utility for supplying light, heat or power; referendum; powers exercised.

Sec.4.

Any public corporation is authorized to purchase, acquire, construct, improve, enlarge, extend or repair 1 or more public improvements and to own, operate and maintain the same, within or without its corporate limits, and to furnish the services, facilities and commodities of any such public improvement to users within or without its corporate limits. The exercise by any public corporation of such powers outside its corporate limits shall be subject to the legal rights of the political subdivision within which such powers are to be exercised and shall also be subject to any and all constitutional and statutory provisions relating thereto. The authority herein granted shall be further limited as follows:

(a) No public corporation shall establish warehouses for the purpose of storing or dispensing alcoholic beverages.

(b) School districts shall be limited to such public improvements as are within the scope of their powers under other statutory provisions.

(c) Port districts shall be limited to such public improvements as are within the scope of their powers under acts creating the same.

(e) No public corporation may acquire a utility for the supplying of light, heat or power unless such proposition shall have first received the affirmative vote of 3/5 of the electors of such public corporation voting thereon at a regular or special municipal election.

The powers in this act granted may be exercised notwithstanding that no bonds are issued hereunder.

141.105 Estimate of cost and period of usefulness.

Sec. 5.

Whenever the governing body of any public corporation shall determine to purchase, acquire, construct, improve, enlarge, extend and/or repair any public improvement and to issue bonds under this act, it shall first cause an estimate to be made of the cost and the period of usefulness thereof, and the fact that such estimate has been made and the amount and period of time thereof shall appear in the ordinance authorizing and providing for the issuance of the bonds.

141.106 Ordinances; adoption; purpose; approval or disapproval; veto; effective date; referendum; record; authentication; publication.

Sec. 6.

The governing body of a public corporation by the affirmative vote of a majority of its elected members, at the meeting at which it is introduced or any subsequent meeting, may adopt an ordinance relating to the exercise of the powers granted in this act and to other matters necessary or desirable to effectuate this act, to provide for the adequate operation of a public improvement established under this act, and to insure the security of bonds issued. The adoption shall be subject to applicable statutory or charter provisions in respect to the approval or disapproval of the chief executive or other officer of the public corporation and the adoption of the ordinance over his or her veto, except in case of the adoption of an ordinance under this act by the board of commissioners of a county, it shall not be necessary to submit the ordinance to the governor for approval. An ordinance adopted under this act shall become effective upon its adoption unless otherwise specified in the ordinance. It shall not be subject to a referendum vote of the electors of the public corporation except as provided in section 33. The ordinance shall be recorded in the minutes of the meeting of the governing body of the public corporation as soon as practicable after its passage. The record shall be authenticated by the signatures of the presiding officer and the clerk or other recording officer of the governing body. The ordinance shall be published once in a newspaper of general circulation within the boundaries of the public corporation. The publication of the ordinance as a part of the minutes of the meeting at which it was adopted, shall be considered a publication in conformity with this act. Except as otherwise provided in this act, this section shall constitute the sole requirements in respect to the adoption and publication of an ordinance and shall not be limited by a charter or statutory provisions.

141.107 Bonds; issuance; form; term; interest; exclusion from net bonded indebtedness; registration; pledge of funds; statutory first lien.

Sec. 7.

(1) For the purpose of defraying the whole or a part of project costs, a public corporation may borrow money and issue its negotiable bonds. The bonds shall not be issued unless and until authorized by an ordinance, which shall set forth a brief description of the contemplated project, the estimated cost of the project, and the amount, maximum rate of interest, and time of payment of the bonds. The bonds shall be serial bonds or term bonds, or a combination of serial and term bonds, and shall be payable semiannually or annually by maturity of serial bonds or maturity or required redemption of term bonds. The last annual principal installment shall be not longer than the estimated period of usefulness of the public improvement for which the bond is issued, but the last installment shall not be more than 40 years from the date of the bond. The bonds shall bear interest, payable as provided in the authorizing ordinance, except that the first interest installment shall be payable not later than 10 months following the delivery date of the bonds. The bonds and coupons shall be substantially in the form provided in the authorizing ordinance and shall be executed in the manner prescribed in the bond, which may be by facsimile signature or signatures. The bonds and the interest on the bonds shall be made payable in lawful money of the United States, and shall be exempt from taxation by this state or by any taxing authority within this state. The public corporation may provide that the redemption of term bonds may be satisfied in whole or in part by the purchase and cancellation of term bonds otherwise required to be redeemed. As used in this subsection, "annual principal installment" means a maturity of serial bonds, an amount of term bonds required to be redeemed in that year, or a maturity of term bonds less amounts previously required to be redeemed.

(2) The principal of and interest on the bonds shall be payable, except as provided in this act, solely from the net revenues derived from the operation of the public improvement purchased, acquired, constructed, improved, enlarged, extended, or repaired from the proceeds of the bonds, as shall be pledged to the bonds in the authorizing ordinance, which may include if the ordinance so provides, net revenues derived by reason of future improvements, enlargements, extensions, or repairs to the improvement, and payments made to the public corporation issuing the bonds by any other governmental entity pursuant to another law of this state or the United States for payment of principal and interest on the bonds, even though the payments are made from or include grants or other funds provided by this state or the United States or the proceeds of taxes levied on taxable property as provided by other law.

(3) As additional security for the payment of bonds that are used to finance the local share of projects that receive more than 25% of financing from federal or state grants or that are being initially purchased, in whole or in part, by the Michigan municipal bond authority created under the shared credit rating act, 1985 PA 227, MCL 141.1051 to 141.1076, or if specifically authorized by another law pertaining to the public improvements for which bonds are to be issued under this act, a public corporation, by majority vote of the elected members of its governing body, may include as a part of the ordinance authorizing the issuance of the bonds a pledge of its full faith and credit for payment of the principal of an interest on the bonds. For bonds issued for airports or airport improvements under the aeronautics code of the state of Michigan, 1945 PA 327, MCL 259.1 to 259.208, a public corporation, by majority vote of the elected members of its governing body, may agree that if funds pledged for payment of bonds are not sufficient to pay principal and interest on the bonds as the bonds become due, the public corporation shall advance sufficient funds out of its general funds for the payment if the proceeds of the bonds are used exclusively within the territorial limits of the county in which the political

corporation is located. If a pledge is made, and the net revenues primarily pledged to the payment are insufficient to make a payment, the public corporation shall be obligated to pay the bonds and interest on the bonds in the same manner and to the same extent as other general obligation bonds of the public corporation, including the levy, when necessary, of a tax on all taxable property in the public corporation without limitation as to rate or amount, in addition to all other taxes that the public corporation is authorized to levy, but not exceeding the rate or amount necessary to make the payment. If a public corporation makes payment from taxes or general funds pursuant to a full faith and credit pledge or agreement to advance, it shall be reimbursed from net revenues subsequently received by the public improvement for which the bonds are issued that are not otherwise pledged or encumbered. A bond or coupon issued under this act shall not be general obligation or constitute an indebtedness of the borrower unless its full faith and credit are pledged. Unless a public corporation pledges its full faith and credit for the payment of bonds issued pursuant to this act, or unless otherwise exempt, the amount of the bonds shall not be included in computing the net bonded indebtedness of the public corporation for the purposes of debt limitations imposed by any statutory or charter provisions. Bonds may be made registerable as to principal, or principal and interest, under terms and conditions determined by the governing body of the borrower.

(4) The governing body in the ordinance authorizing the bonds or in an agreement entered into under section 7a(1)(a) may pledge any funds established by the ordinance or agreement for the payment of the bonds or other obligations of the public corporation under the agreement and create a statutory first lien in favor of the holders of the bonds or a party subject to the agreement.

141.107a Powers of public corporation in determining to issue bonds; terms of payment; interest; sale or remarketing; tender of bonds by holders; determining aggregate authorized amount of bonds outstanding; remarketing or resale of tendered bonds or incurrence of obligation of public corporation; provisions of section construed.

Sec. 7a.

(1) A public corporation in determining to issue bonds, including refunding bonds, may do the following:

(a) As additional security to assure timely payment of the bonds, authorize and enter into an insurance contract, agreement for lines of credit, letter of credit, commitment to purchase obligations, remarketing agreement, reimbursement agreement, tender agreement, and any other transaction to provide security to assure timely payment of any bond, and may pledge and create a statutory lien on 1 or more of the following for timely payment of the bonds or payment of any obligations of the public corporation under any of the foregoing:

(i) Proceeds of additional security provided to assure timely payment of the bonds.

(ii) Proceeds of bonds.

(iii) Earnings on proceeds of bonds or other funds held for payment of bonds.

(iv) Revenues.

(b) If the bonds are additionally secured as provided in subsection (1)(a), authorize, from the proceeds of the bonds or other available funds, payment of the cost of issuing the bonds, which may include, but is not limited to, fees for placement, fees or charges for insurance, letters of credit, lines of credit, remarketing agreements, reimbursement agreements, tender agreements, or purchase or sales agreements or commitments, or other agreements to provide security to assure timely payment of bonds.

(c) Authorize or provide for an officer of the public corporation, but only within limitations which shall be contained in the ordinance of the governing body authorizing the bonds, to do 1 or more of the following:

(i) Sell and deliver and receive payment for bonds.

(ii) Refund bonds by the delivery of new bonds, whether or not the bonds to be refunded have matured or are subject to redemption prior to maturity on the date of delivery of the refunding bonds.

(iii) Buy and hold without cancellation or sell bonds so issued.

(iv) Deliver bonds partly to refund bonds and partly for any other authorized purpose.

(v) Approve interest rates or methods for fixing interest rates, prices, discounts, maturities, principal amounts, denominations, dates of issuance, interest payment dates, optional or mandatory redemption or tender rights, obligations to be exercised by the public corporation or the holder of the bond, the place of delivery and payment, and other matters and procedures necessary to complete the transactions authorized.

(2) If the bonds are additionally secured as provided in subsection (1)(a) and notwithstanding other provisions of this act, the bonds, including an obligation of the public corporation to a provider of additional security under subsection (1)(a) relating to that additional security, may be made payable on demand or prior to maturity at the option of the public corporation or the holder, or made subject to a tender, right, or obligation, at the time and in the manner determined by the governing body in the ordinance authorizing the bonds. If payable on demand or prior to maturity at the option of the public corporation or the holder, or if subject to a tender, right, or obligation, the bonds, including an obligation of the public corporation to a provider of additional security under subsection (1)(a) relating to that additional security, may bear no rate of interest or bear interest at a rate or rates which may be variable and which shall not be subject to the limitations provided in section 12, may be in a form with or without interest coupons, and may be sold at discount which shall not be subject to the limitation on discount provided in section 12 all as provided by the governing body in the ordinance authorizing the bonds.

(3) Bonds which are additionally secured under subsection (1)(a), and which are tendered by the holder or considered tendered as provided in this subsection to the public corporation, to the trustee appointed pursuant to section 38, or to any other entity appointed pursuant to an agreement authorized by subsection (1)(a), shall not be redeemed by an optional or mandatory tender, but may be sold or remarketed by the public corporation, by the trustee appointed pursuant to section 38, or by any other entity appointed pursuant to an agreement authorized by subsection (1)(a) without the sale or remarketing being a reissuance or refunding. If so provided by the governing body in the ordinance authorizing the bonds, bonds which are additionally secured under the provisions of subsection (1)(a) may contain provisions under which the holders of the bonds may be considered to have tendered the bonds pursuant to the ordinance and the bonds. For purposes of determining the aggregate authorized amount of bonds outstanding, bonds which are considered tendered are no longer outstanding and may be replaced without redemption by bonds which may be sold or remarketed as provided in this subsection without the sale or remarketing being a reissuance or refunding.

(4) The remarketing or resale of tendered bonds or the incurrence of an obligation of the public corporation pursuant to an agreement providing additional security under subsection (1)(a) is not subject to referendum by the qualified electors of the public corporation pursuant to section 33 and may be sold or remarketed in the case of tendered bonds, or incurred in the case of an obligation pursuant to an agreement providing additional security under section 7a(1)(a), at public or private sale as determined by the governing body in the ordinance authorizing the bonds. The remarketing or resale of tendered bonds is not subject to the prior approval of the department of treasury as provided in this act if the original issue of bonds to which the tendered bonds or agreement relates was approved or excepted from approval by the department of treasury.

(5) The provisions of this section specify general authority under this act, may be exercised notwithstanding a charter provision to the contrary, and may be included in bonds issued before the effective date of this section which bonds are ratified and validated by this section.

(6) The amendatory act which added this section shall not be construed to expand or diminish the authority of a public corporation to pledge its full faith and credit without a referendum of the qualified electors.

141.108 Lien on revenue in favor of bondholders.

Sec. 8.

There shall be created in the authorizing ordinance a lien, by this act made a statutory lien, upon the net revenues pledged to the payment of the principal of and interest upon such bonds, to and in favor of the holders of such bonds and the interest coupons pertaining thereto, and each of such holders, which liens shall be a first lien upon such net revenues, except where there exists a prior lien or liens then such new lien shall be subject thereto.

141.109 Statutory lien on net revenues; duration; enforcement.

Sec. 9.

The net revenues which are pledged shall be and remain subject to the statutory lien until the payment in full of the principal of and interest upon the bonds unless the authorizing ordinance provides for earlier discharge of the lien by substitution of other security. The holder of the bonds, representing in the aggregate not less than 20% of the entire issue then outstanding, may protect and enforce the statutory lien and enforce and compel the performance of all duties of the officials of the borrower, including the fixing of sufficient rates, the collection of revenues, the proper segregation of revenues, and the proper application of the revenues. The statutory lien shall not be construed to give a holder or owner of a bond or coupon authority to compel the sale of the public improvement, the revenues of which are pledged to the improvement.

141.110 Receiverships for public improvements.

Sec. 10.

If there be any default in the payment of the principal of or interest upon any of said bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate on behalf of the borrower, under the direction of said court, any public improvement the revenues of which are pledged to the payment of such principal and interest; and by and with the approval of said court, to fix and charge rates and collect revenues sufficient to provide for the payment of any bonds or other obligations outstanding against the revenues of said public improvement and for the payment of the expenses of operating and maintaining the same and to apply the income and revenues of said public improvement in conformity with this act and the ordinance providing for the issuance of such bonds and in accordance with such orders as the court shall make.

141.111 Bonds; application of other laws and charters.

Sec. 11.

The bonds authorized hereunder shall not be subject to any limitations or provisions contained in the laws of the state of Michigan, pertaining to public corporations or in the charters of public corporations, as now in force or hereafter amended, other than as provided for in this act.

141.112 Bonds; discount; sale price; interest; competitive or negotiated sale; notice; publication.

Sec. 12.

(1) Bonds issued under this act may be sold at a discount but may not be sold at a price that would make the interest cost on the money borrowed after deducting any premium or adding any discount exceed 10% per annum or the maximum rate permitted by the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, whichever is greater, and may bear a stated rate of interest or no rate of interest.

(2) A public corporation may sell bonds at a competitive sale or a negotiated sale as determined in the authorizing ordinance. If a public corporation determines to sell a bond at a negotiated sale, the governing body shall expressly state the method and reasons for choosing a negotiated sale instead of a competitive sale in the resolution or ordinance authorizing the issuance or sale of the bonds.

(3) Bonds sold at a competitive sale shall not be sold until notice by publication at least 7 days before the sale in a publication printed in the English language and circulated in this state that carries as a part of its regular service notices of the sale of municipal bonds.

(4) A public corporation shall award a bond sold at a competitive sale to the bidder whose bid meets all specifications and requirements and results in the lowest interest cost to the public corporation, unless all bids are rejected.

(5) A public corporation may accept bids for the purchase of a bond made in person, by mail, by facsimile, by electronic means, or by any other means authorized by the public corporation.

141.112a Bonds subject to revised municipal finance act.

Sec. 12a.

(1) Bonds issued under this act for which a municipality pledges its full faith and credit are also subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, except for part VI and section 503 of the revised municipal finance act, 2001 PA 34, MCL 141.2601 to 141.2613, and MCL 141.2503.

(2) For bonds issued under this act, the first principal amount maturity date or mandatory redemption date shall be not later than 5 years after the date of issuance and some principal amount shall mature or be subject to mandatory redemption in each subsequent year of the term of the bond.

(3) As used in this section, "municipality" means that term as defined in the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.

(4) Except as otherwise provided in this act, bonds subject to this act are not subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.

141.116 Bonds; use of sale proceeds; cancellation of bonds acquired by purchase; payment of capitalized interest.

Sec. 16.

Money received from the sale of bonds shall be used solely for the payment of project costs. An unexpended balance of the proceeds of the sale of any bonds remaining after the completion of the project for which issued, may be used for the improvement, enlargement, or extension of the public improvement, if the use is approved by the department of treasury. Any remaining balance shall be paid immediately into the bond and interest redemption deposit account for the bonds, and the money shall be used only for meeting bond reserve requirements or for the redemption or purchase, at not more than the fair market value, of outstanding bonds of the issue from which the proceeds were derived. Bonds acquired by purchase shall be canceled and shall not be reissued. Each ordinance shall state the period for which interest is to be capitalized, and the amount of reserves to be funded from the bonds. Upon receipt of the proceeds of the bonds, there shall be set aside, in the bond and interest redemption deposit account, the amount of interest that will accrue during the period at the interest rate specified in the bonds and the amount required to be set aside in the bond and interest redemption account. Money set aside shall be used solely for the payment of the capitalized interest or to satisfy bond reserve requirements.

141.118 Charges for services; providing medical care without charge or at reduced rates.

Sec. 18.

(1) Except as provided in subsection (2), free service shall not be furnished by a public improvement to a person, firm, or corporation, public or private, or to a public agency or instrumentality. The reasonable cost and value of any service rendered to a public corporation, including the borrower, by a public improvement shall be charged against the public corporation and shall be paid for as the service accrues from the public corporation's current funds or from the proceeds of taxes which the public corporation, within constitutional limitations, is hereby authorized and required to levy in an amount sufficient for that purpose, or both, and those charges, when so paid, shall be accounted for in the same manner as other revenues of the public improvement.

(2) A public improvement that is a hospital or other health care facility may provide medical care to the indigent without charge or at reduced rates and may provide medical care without charge to comply with conditions for the receipt of a grant or contribution from a public or private donor.

141.119 Additional bonds.

Sec. 19.

(1) A borrower issuing bonds for any public improvement pursuant to this act, at the time of the authorization of the bonds, may provide in the authorizing ordinance for the issuance of additional bonds of equal standing for its completion in the event the bonds first authorized shall prove to be insufficient therefor, or for its subsequent enlargement, extension, improvement, or repair, or to refund part or all of 1 or more outstanding issues, or for any of these purposes, which additional bonds may be issued and be negotiated from time to time as the proceeds

therefrom may be necessary for that purpose. The bonds, when sold, shall have equal standing with those issued in the first instance. The additional bonds may be issued in separate series from the original bonds, with different dates of issuance, and with changes in the form thereof which are consistent with that equality of standing.

(2) The provisions of section 7 providing for annual installments, the amounts of the installments, and the due date of the first installment shall not be controlling as to each additional series whether the additional series is of equal or subordinate standing. Instead, section 7 shall be applied to the combined annual principal installments and interest at actual rates on outstanding bonds and at the maximum authorized rate on the additional series. Additional bonds of equal standing shall not be issued unless authorized as provided in this section.

141.120 Revenue refunding bonds.

Sec. 20.

(1) If a borrower has outstanding any bonds issued under this act, it may issue and negotiate new bonds under this act for the purpose of providing for the retirement of those outstanding bonds, in whole or in part. The new bonds shall be designated "revenue refunding bonds". Except as otherwise provided in the refunding ordinance, revenue refunding bonds shall be secured to the same extent and shall have the same source of payment as the bonds to be refunded, or may be payable from earnings on investments held in trust to pay refunded bonds for the period of time specified in the ordinance authorizing the bonds or from any other source provided in the ordinance authorizing the refunding bonds. The revenue refunding bonds may be issued to include the amount of any premium to be paid upon the calling of the bonds to be refunded, interest to the maturity or the earliest or any subsequent redemption date of the bonds to be refunded, and the cost of issuing the refunding bonds, or if the bonds are not callable, any premium necessary to be paid in order to secure the surrender of the bonds to be refunded. This section shall not be construed as providing for the redemption of noncallable unmatured bonds without the consent of the holder or holders of the bonds.

(2) The borrower may issue bonds partly to refund outstanding bonds, which portion shall be considered a revenue refunding bond for purposes of this section, and partly for any other purpose contemplated by this act but which would not include loans for private mortgage purposes.

(3) Bonds issued to refund outstanding bonds and bonds issued partly to refund outstanding bonds and partly for any other purposes may be issued in a principal amount and may bear an interest rate that is greater than, the same as, or lower than the principal amount and interest rate of the bonds to be refunded. The refunding bonds and the bonds issued pursuant to subsection (2) may be sold as provided in section 12 or, to the extent the bond is issued to refund an outstanding bond, may be exchanged for the obligations to be refunded by the obligations, and if sold, the proceeds attributable to the purpose of refunding an outstanding obligation shall be deposited in a bank, trust company, savings and loan association, or credit union in a special trust account or escrow account to be used only for the payment at maturity or redemption or purchase of the outstanding bonds. If refunding bonds or bonds issued pursuant to subsection (2) are to be issued
